Pavilion Policies

Groups that have reserved the picnic pavilion have exclusive use of their pavilion from 8:00 a.m. to the park's closure. However, this does not include reserved parking or admission to the park. Due to a high volume of park visitors, have your guests arrive early on summer weekends and holidays.

If you reserve a pavilion between May 1 and September 30, you and your guests must pay the park's facility fee of \$3.00 per vehicle.

Prior to departure, groups are responsible for cleaning the pavilion and grill as well as picking up all litter. Trash cans are provided for your convenience.

You may not drive a vehicle to the pavilion.

All park regulations apply to pavilion users including the following **prohibitions**:

- Alcoholic Beverages
- Posting directional or identification signs
- Defacing or placing decorations on structures
- Parking outside of lined designated spaces

If you desire, we will provide you with additional copies of the parks' policies.

If special concerns or needs exist that may warrant a temporary exception to these policies, please contact the park office at 610 376-6337 with your request.
