

PUBLIC HEALTH PROFESSIONALS CAN USE THE SYSTEM'S BROAD RANGE OF DATA & ADVANCED REPORTING FEATURES TO:

- Report detailed data on a single state
- Compare data for multiple states and examine trends over time
- Export data to a spreadsheet for further analysis
- Print an attractive PDF summary document
- Produce graphs and maps to export for use in presentations

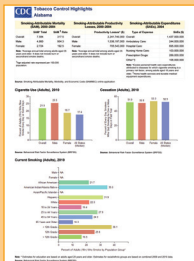

STATE STATE TOBACCO ACTIVITIES TRACKING & EVALUATION SYSTEM

Interact with maps and data tables

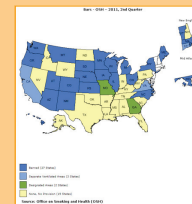

View detailed data for your state

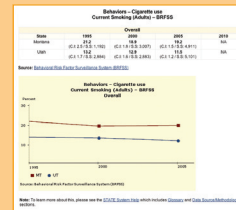

View summary data for your state

Compare data between your state and other states

View changes in states' data over time

Access fact sheets with data on key topics

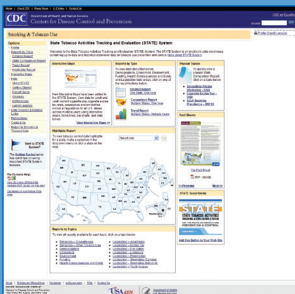

Save a copy of a map for your presentation or report

View a list of the types of reports available in STATE system
