Driving while distracted is a serious issue for the community

USE OF HAND HELD CELL PHONES INCLUDING TEXTING IS PROHIBITED WHILE DRIVING!

FOLLOWING TO CLOSE, IMPROPER PASSING, INATTENTIVE DRIVING AND RECKLESS DRIVING ARE INDICATORS OF UNDISCIPLINED DRIVERS. ARE YOU UNDISCIPLINED?

LEAVES :ON THE ROADWAY CAN GET EXTREMELY SLIPPERY, MAKING THE DRIVING CONDITIONS SIMILAR TO THAT OF DRIVING ON SNOW AND ICE. BLACK ICE : YOUR SPEED IS THE ONLY THING THAT PREVENTS YOU FROM GOING IN THE DITCH. ANIMALS :ARE VERY ACTIVE THIS TIME OF YEAR SO BE ALERT WHEN DRIVING DURING EARLY MORNINGS AND EVENINGS.

Driving is an activity that requires YOUR FULL ATTENTION !
