WHO WE ARE:

The Naval Criminal Investigative Service (NCIS) is the federal law enforcement agency charged with conducting investigations of felony-level offenses affecting the Navy and Marine Corps – that is, crimes punishable by confinement for more than one year. NCIS also performs investigations and operations aimed at identifying and neutralizing foreign intelligence, international terrorist, and cyber threats to the Department of the Navy. In addition, it provides warning of threats and specialized defensive force protection support to U.S. naval forces around the world.

NCIS is comprised of some 2,400 personnel in over 40 countries around the globe. The organization is roughly 90% civilian, and its cadre of federal agents – about half its total personnel – is 98% civilian.

Criminal investigation is at the foundation of virtually all the organization does, but the NCIS mission is broad. Transnational terrorism has been and remains a key focus area for the agency. The al Qaeda threat made clear to NCIS that merely reacting to crime – the traditional law enforcement model – was no longer adequate. After the attack on the USS Cole in Yemen in 2000 and the events of 9/11, NCIS adopted a proactive model of law enforcement and a new strategy for engaging the threat. Today, NCIS’ mantra is: “Prevent Terrorism, Protect Secrets, and Reduce Crime.”

For more information please visit the NCIS website: www.ncis.navy.mil.

ON-SITE INTERVIEWS.

Students who are recommended for further processing based upon the competitiveness of their application package will be advised via email to contact the respective NCIS office to schedule an on-site interview. **The interview is a required part of this highly competitive application process and any travel expenses incurred are the student’s responsibility.**

After the interview, students will also get fingerprinted as part of the background check process.

PRELIMINARY SELECTION PROCESS:

For NCIS field office positions, once applicant interviews have been completed and a selection (or selections) made, the Internship Coordinator at the respective NCIS field office will provide the NCISHQ Intern Program Specialist with the name(s) of the selectee(s) and will forward all supporting documentation (interview questions, interview evaluation sheet and fingerprint cards) to NCISHQ, Human Capital Development Department (Code 10D). The field office Internship Coordinator may make a provisional verbal offer to an applicant, providing that the applicant is also made aware of the requirement for a completion of a favorable suitability background investigation and that ultimately, the offer is not “official” until the selectee receives written notification of acceptance into the NCIS Internship Program from the NCISHQ, Human Capital Development Department. Upon accepting the internship offer, selectees will be provided guidance via email regarding paperwork that will need to be completed online. Part of the background suitability investigation includes a NACI, which typically takes 4-6 months to complete. A final offer is contingent upon favorable completion of NACI.

The field office Internship Coordinator will also forward supporting documentation for non-selectees (interview questions, interview evaluation form, and fingerprint cards) to the NCISHQ, Human Capital Development Department (Code 10D).

FINAL SELECTION PROCESS:

NACI will be initiated by the Office of Personnel Management (OPM) and pending favorable results, selectees will receive an official offer of an internship position via email. If the selectee determines to accept the offer of a position, a welcome aboard package will be forwarded and will include specific reporting instructions.

Should review of the paperwork reveal that the applicant does not meet the eligibility requirements, or if criminal history checks are not completed favorably, the student will be notified via email of his/her non-selection for the Program. The notification email will use a standard template consisting of approved wording. At no time will any NCIS personnel offer additional verbal or written information regarding selection or non-selection.

* The respective school must be a partner in the internship, even if the student is not receiving academic credit (section 3111 of title 5, United States Code). Therefore the student and a school official or internship sponsor must sign an agreement. The “sponsor” will vary according to the system at the particular school. The appropriate person may be a central internship coordinator, a dean or department head, or a professor within the department who coordinates internships. The required “statement” regarding the sponsor is a short letter confirming his/her willingness to take that role and should provide contact information (title, phone number, email address and mailing address).

U.S. Naval Criminal Investigative Service Employment Drug Policy

The NCIS is firmly committed to a drug free society and workplace. Therefore, the unlawful use of drugs by NCIS employees will not be tolerated. Furthermore, applicants for employment with the NCIS who currently are using illegal drugs will be found unsuitable for employment. The NCIS does not condone any prior unlawful drug use by applicants. The NCIS realizes, however, some otherwise qualified applicants may have used drugs at some point in their past. The following policy sets forth the criteria for determining whether any prior drug use makes an applicant unsuitable for employment, balancing the needs of the NCIS to maintain a drug-free workplace and the public integrity necessary to accomplish its law enforcement mission. Applicants who do not meet these criteria should not apply for the position.

CRITERIA

- A. An applicant who has used any illegal drug while employed in any law enforcement or prosecutorial position, or while employed in a position which carries with it a high level of responsibility or public trust, will be found unsuitable for employment.
- B. An applicant who is discovered to have misrepresented his/her drug history in completing the application will be found unsuitable for employment.
- C. An applicant who has sold any illegal drug for profit at any time will be found unsuitable for employment.
- D. An applicant who has used any illegal drug, other than marijuana, within the last ten years *or* engaged in more than limited experimental usage in his/her lifetime, will be found unsuitable for employment.
- E. An applicant who has used marijuana within the past three years *or* more than limited experimental usage during his/her lifetime, will be found unsuitable for employment.

To determine whether you meet the NCIS's drug policy, please answer the following questions:

- 1) Have you ever used an illegal drug (no matter how many times or how long ago) while in a law enforcement or prosecutorial position, or in a position which carries with it a high level of responsibility or public trust?
- 2) Have you ever sold any illegal drugs for profit?
- 3) Have you used any illegal drug, other than marijuana, at all in the past 10 years?

- 5) Have you used marijuana at all within the last three years?
