4. POLICY

It is MRP policy to set tours of duty in accordance with Federal regulations in a manner which promotes the efficiency of the service and which to the extent practicable is fair and equitable to employees. Managers and supervisors are ultimately responsible for establishing tours of duty within the parameters established within this Directive and the Human Resources Desk Guide (HRDG) Subchapter 4610, Tours of Duty. (For definitions of terms used in this Directive, refer to the HRDG-4610.) In addition:

- a. Tours of duty available for use in MRP are: standard, nonstandard (including 1st-40, 1st-8 and mixed tour), and alternative work schedules (compressed [5-4/9 and 4/10] and flexible [flexitour, flexitime, and maxiflex (24 hour maxiflex applies to VS field employees only)]).
- b. Daily tours for headquarters employees may begin no earlier than 6 a.m. and may end no later than 6 p.m. Field units may establish different start/stop times based on local mission requirements.
- c. All headquarters employees will be assigned to a maxiflex schedule unless mission requirements prevent such a tour. Agency heads will decide tours of duty to which field employees will be assigned.
- d. Agency heads also may delegate the level of supervision that will have the authority to set tours of duty in field locations.
- e. APHIS and GIPSA customer service bands at headquarters are 8 a.m. to 4:30 p.m. AMS headquarters customer service bands are 8 a.m. to 5 p.m. Field units may adopt the above bands or may establish a different band based on mission or agency requirements.
- f. Headquarters flexitour and flexitime schedules have core days and hours of Monday through Friday, 9 a.m. to 3 p.m.
- g. Headquarters maxiflex core days and hours are Tuesday through Thursday, 9 a.m. to 3 p.m.

Although maxiflex flexible days are typically Monday or Friday, other days within the workweek may be appropriate as an employee's flexible day if it is not detrimental to mission accomplishment.

- h. Recording attendance on a daily basis is required only when a deviation from the

established tour of duty occurs causing an extension/alteration to the established tour of duty for the day (e.g., earning, using credit hours/compensatory time, working overtime, taking annual leave, sick leave, leave without pay, core time deviations, gliding). Managers/supervisors still are responsible for ensuring time and attendance records are accurate, and may choose to require employees to sign in/out on a daily basis. Recording attendance may be accomplished using traditional sign in/out sheets, electronically, by exception, etc.

- i. AMS employees will maintain a daily time log. Each manager/supervisor will determine the appropriate format to be used in recording daily attendance.
- j. Employees must take an unpaid lunch break of 30 - 60 minutes unless an exception applies as outlined in the HRDG Subchapter 4610, Section C.
- k. Maxiflex flexible days for headquarters employees are Monday and Friday all day.
- l. Maxiflex flexible hours (glide times) are 6 - 9 a.m. and 3 - 6 p.m., Monday through Friday.

Although maxiflex flexible days are typically Monday and Friday, other days within the workweek may be appropriate as an employee=s flexible day if it is not detrimental to mission accomplishment.

- m. Maxiflex flexible days for field employees are Monday, Friday, and Saturday. Maxiflex flexible hours (glide times) are 6 - 9 a.m. and 3 - 6 p.m., Monday through Friday, and Saturday, 6 a.m. to 6 p.m.

Although maxiflex flexible days are typically Monday and Friday, other days within the workweek may be appropriate as an employee=s flexible day if it is not detrimental to mission accomplishment.

- n. Employees on a maxiflex tour may earn credit hours once they have worked or been in a paid leave status for 80 hours of the pay period. Exception: With prior supervisory approval, employees may earn credit hours on either Saturday of a pay period. On Saturdays, headquarters employees may only earn credit hours between the hours of 8 a.m. and 6 p.m. On Saturdays, field employees may only earn credit hours between 6 a.m. and 6 p.m. The maximum number of credit hours employees may earn and carry over into each pay period is 24. GIPSA and AMS employees must obtain supervisory approval before earning any credit hours.

Prior to implementation of any deviations, a copy of the new policy must be forwarded to the Director, Human Resources Division (HRD), for review to ensure proper application of tours of duty laws, rules, and regulations.
