## WITHHOLDING AND WITHDRAWAL OF AMA INSPECTION SERVICES

### 1. PURPOSE

This directive provides uniform guidelines for conditional withholding or withdrawal of AMA inspection services.

### 2. REPLACEMENT HIGHLIGHTS

This directive supersedes FGIS Program Directive 910.3, dated 1/24/91. This directive is updated to reflect organizational changes, new numbering system, and new format but does not revise policy.

### 3. POLICY

- a. Section 868.24 of the regulations under the Agricultural Marketing Act of 1946 (Act), as amended, provides for the conditional withholding of inspection service for correctable causes found in section 868.21, such as (1) failure to pay bills for inspection services, (2) insanitary plant conditions, or (3) plant conditions which would subject the inspector to unusual hazard or discomfort.
  - (1) Inspectors at the plant shall report any such conditions to the cooperator or field office as soon as possible.
  - (2) The final decision to withhold service shall be made by the cooperator or the field office manager.
  - (3) The cooperator or field office manager may conditionally withhold service upon notification to the applicant.
- b. Section 868.25 of the regulations provides for the denial or withdrawal of service due to (1) a willful violation of the Act, regulations, or directives; or (2) intimidation, threat, assault, or other improper action that interferes with or obstructs official personnel in the performance of their duties.

- (1) Denial or withdrawal of service requires that the applicant be accorded due process and shall, therefore be conducted by FGIS headquarters in accordance with the Rules of Practice Governing Formal Adjudicatory Proceedings Instituted by the Secretary of Agriculture under Various Statutes (7 CFR Part 1, Subpart H).
- (2) When circumstances warrant denial or withdrawal of service, the cooperator or field office manager shall report the circumstances in accordance with FGIS Directive 9070.6, Reporting Violations of the U.S. Grain Standards Act, and The Agricultural Marketing Act of 1946.

**NOTE: If a situation, such as assault, occurs that threatens the safety of official personnel and also is a violation of the Act, the cooperator and field office managers may withhold service on the grounds that official personnel are subject to hazardous conditions. Such situations should be reported in accordance with FGIS Directive 9070.6.**
