Dear Parents and Friends of Osan Middle School:

Our school year got off to a great start on 30 August. The first day of school always presents a few unforeseen challenges; however, our staff handled them in stride. Typhoon Kampaso spiced up our first week as well. While there was some damage around the base, Osan Middle was spared.

The second week of school finds us settling in nicely. Athletics (cross country and soccer) have started and our school clubs will begin soon as well. We remain in need of volunteers to assist with lunch/recess supervision and our PTSO is seeking officers too.

Thank you for paying close attention to the Parent Connection, it is a vital tool in our effort to keep our families informed.

Onward!

Jeff McGee, Principal
