## A Message from the Principal:

Parents and Friends of Osan Middle:

At OMS we are continuing to forge onward toward the holidays. In this spirit, students enjoyed a bit of snow this week and had some fun playing in it during our lunch on Thursday. We enjoyed a delicious breakfast sponsored by our PTSO on Tuesday as well as saw our door decorating event begin (sponsored by our Student Council and Ms. Hampton). Students enjoyed working in teams during seminar to design and begin to decorate classroom doors. Also, Wednesday, 8 December marked the mid-point of this marking period. To this end, progress reports were sent home with students and you can check grades via Gradespeed as well. On Friday, 10 December our staff and the elementary school staff partnered in "True Color" training. This DoDEA lead training was aimed toward heightening our awareness of the diversity of learning and personality styles that exist in our classrooms and among our staff.

Looking ahead, the week of 13 December will see many students taking tests and quizzes through mid-week in the run up to the break. On Thursday, 16 December our Student Talent Showcase will be held from 1340-1510 in the high school auditorium. We are grateful to Ms. Montiel for coordinating this opportunity for our students display their talent!

We appreciate your support and the support of our command structure in making Osan a great place to live, learn, and work.

Jeffrey McGee
