Parent Connection

Parents:

This week we bid farewell to Mrs. Sanchez. You will recall that she directed traffic in our main office. We wish her well as she and her husband expect their first child in the next few weeks.

Also of note this coming week are reading and language assessments on 17 and 18 February. These assessments are formative, meaning that they are designed to help us determine student strengths and areas needing support to this point in the school year. After analyzing the results, we will target growth areas to ensure that each student has every opportunity to demonstrate his or her mastery of the curriculum.

Please stay informed by visiting our school webpage and viewing your child's grades via Gradespeed regularly. <http://www.osan-ms.pac.dodea.edu/>
