Notice of Availability of the Final Supplemental Environmental Impact Statement for the Disposal and Reuse of Hunters Point Naval Shipyard, San Francisco, California.

AGENCY: Department of the Navy, DoD.

ACTION: Notice.

SUMMARY: Pursuant to Section 102(2)(C) of the National Environmental Policy Act (NEPA) of 1969, as implemented by the Council on Environmental Quality (CEQ) regulations (40 CFR Parts 1500-1508), the Department of the Navy (DoN) announces that it has prepared and filed the Final Supplemental Environmental Impact Statement (SEIS) evaluating the potential environmental consequences associated with the disposal and reuse of Hunters Point Naval Shipyard (HPS), San Francisco, California. The DoN is required to close HPS per Public Law 101-510, the Defense Base Closure and Realignment Act of 1990, as amended. This Notice of Availability (NOA) initiates a 30-calendar day wait period and public review period for the Final SEIS, beginning the date that this NOA is published in the *Federal Register*. During this time no federal decision on the proposed action shall be made or recorded. Following the 30-day wait/review period, as required by CEQ Regulations for Implementing NEPA, Sec. 1506.10(b)2, the DoN may make a decision on the proposed action and a Record of Decision (ROD) could be issued.

FOR FURTHER INFORMATION, CONTACT: Director, BRAC PMO West, Attn: Mr. Ronald Bochenek, 1455 Frazee Road, Suite 900, San Diego, CA 92108-4310, telephone 619-532-0906, fax 619-532-9858, email: ronald.bochenek.ctr@navy.mil.

SUPPLEMENTARY INFORMATION: The DoN, as lead agency, has prepared and filed the Final SEIS for the Disposal and Reuse of Hunters Point Shipyard, San Francisco, California in accordance with the requirements of the NEPA of 1969 (42 U.S.C. 4321-4345) and its implementing regulations (40 CFR parts 1500-1508). A Notice of Intent (NOI) for the SEIS was published in the *Federal Register* on September 5, 2008 (*Federal Register*/Vol. 73, No. 173 pgs 51797 & 51798/ Friday, September 5, 2008/Notices). The purpose of the proposed action and the preferred alternative is the disposal of HPS from federal ownership (861 dry and submerged acres) and its subsequent reuse in a manner consistent with the amended *Hunters Point Naval Shipyard Redevelopment Plan* as adopted by the San Francisco Redevelopment Agency (SFRA) on August 3, 2010. HPS Phase 1, comprising approximately 75 acres, was disposed of by the DoN in 2004 and is not part of the proposed project evaluated in the Final SEIS. The DoN is required to close HPS in accordance with Public Law 101-510, the Defense Base Closure and Realignment Act of 1990, as amended. In accordance with NEPA, before disposing of any real property, the DoN must analyze the environmental effects of the disposal of the HPS property. The environmental consequences resulting from the disposal and reuse of HPS were previously

evaluated by the DoN in the *Final Environmental Impact Statement (FEIS) for the Disposal and Reuse of Hunters Point Shipyard, San Francisco, CA, March 2000*. The DoN issued a ROD on November 29, 2000 indicating that disposal of HPS would be accomplished in a manner as set forth in the previous *1997 Hunters Point Shipyard Redevelopment Plan*. The Final SEIS supplements the previous 2000 FEIS due to changes that have occurred to the proposed reuse plan since the DoN prepared the 2000 FEIS and 2000 ROD.

The Final SEIS has identified and considered six reuse alternatives for HPS and a no action alternative. DoN disposal is assumed as part of each reuse alternative. The no action alternative assumes retention of the HPS property by the Government in a “caretaker status” and no reuse or redevelopment.

Alternative 1 (“Stadium Plan Alternative”) would redevelop HPS with a wide range of uses including a mixed-use community with 2,650 residential units, retail (125,000 square feet (sq ft)), research and development (R&D) (2.5 million sq ft), community services (50,000 sq ft), and parks and recreational open space (232 acres). A major component would include a new 69,000-seat football stadium. This alternative would also include a 300-slip marina, improvements to stabilize the shoreline, and a new bridge over Yosemite Slough. New infrastructure would serve the development as necessary.

Alternative 1A (the “Stadium Plan/No Bridge Alternative”) includes the disposal of HPS by the DoN and its reuse with the same level, land use types, and density of development as Alternative 1, except that the Yosemite Slough bridge would not be constructed.

Alternative 2 (the “Non-Stadium Plan/Additional R&D Alternative”) includes many of the same components as Alternative 1 including 2,650 residential units, retail (125,000 sq ft), community services (50,000 sq ft), and parks and recreational open space (222 acres), a 300-slip marina, improvements to stabilize the shoreline, and a new bridge over Yosemite Slough. Under this alternative, a new football stadium would not be constructed. Instead, an additional 2.5 million sq ft, for a total of 5 million sq ft, of R&D space would be developed.

Alternative 2A (the “Non-Stadium Plan/Housing and R&D Alternative”) includes a mix of uses including 4,275 residential units, retail (125,000 sq ft), R&D (3 million sq ft), community services (50,000 sq ft), and parks and recreational open space (222 acres). This alternative would also include a 300-slip marina, improvements to stabilize the shoreline, and a new bridge over Yosemite Slough. No new football stadium would be constructed.

Alternative 3 (the “Non-Stadium Plan/Additional Housing Alternative”) does not include a new stadium, but is comprised of a mix of land uses including 4,000 residential units, retail (125,000 sq ft), R&D (2.5 million sq ft), community services (50,000 sq ft), and parks and recreational open space (245 acres). The alternative also includes a 300-slip marina, improvements to stabilize the shoreline, and a new bridge over Yosemite Slough.

Alternative 4 (the “Non-Stadium Plan/Reduced Development Alternative”) includes a reduced density of development. Development proposed under this alternative includes 1,855 residential units, retail (87,500 sq ft), R&D (1.75 million sq ft), community services (50,000 sq

ft), and parks and recreational open space (245 acres). This alternative does not include a new stadium, a bridge over Yosemite Slough, a marina, or shoreline stabilization.

The “**No Action Alternative**” is required by NEPA and evaluates the impacts at HPS in the event that the property is not disposed. Under this alternative the property would be retained by the DoN in caretaker status. Existing leases would continue until they expire or are terminated, and no new leases would be executed. No reuse or redevelopment would occur under this alternative.

For each alternative, the Final SEIS addresses the potential direct, indirect, short-term, and long-term impacts on the human and natural environments, including the following resource areas: transportation, traffic, and circulation; air quality and greenhouse gases; noise; land use and recreation; visual resources and aesthetics; socioeconomics; hazards and hazardous substances; geology and soils; water resources; utilities; public services; cultural resources; biological resources; and environmental justice. The analysis also includes an analysis of cumulative impacts from other reasonably foreseeable federal, state, or local activities at and around HPS.

In preparation of the SEIS, the DoN completed a public scoping period from September 5 to October 17, 2008, and held a public scoping meeting on September 23, 2008, to identify community concerns and local issues that should be addressed in the SEIS. Federal, state, and local agencies and interested parties provided oral and written comments to the DoN and identified specific issues or topics of environmental concern that should be addressed in the SEIS. In addition, the DoN facilitated community outreach activities to solicit additional comments and concerns and identify issues from interested community groups in 2009. The DoN considered the scoping and outreach comments in determining the scope of the SEIS.

Following the public scoping period, the DoN released a Draft SEIS for public review and comment on February 23, 2011. The DoN published a NOA in the Federal Register (*Federal Register*/Vol. 76, No. 36 pgs 10012 - 10014/Wednesday, February 23, 2011/Notices) to announce the availability of the Draft SEIS and public comment period on February 23, 2011. In addition, the Draft SEIS NOA was also published in the San Francisco Chronicle and Oakland Tribune newspapers; mailed to agencies and interested members of the public; and posted to the DoN BRAC PMO Website (<http://www.bracpmo.navy.mil>).

Copies of the Draft SEIS were circulated for review and comment to government agencies, local organizations, Native American tribes, and interested members of the public. The Draft SEIS was also made available at seven public locations, including six public libraries and the City Planning Department. Electronic copies were also posted to the DoN BRAC PMO Website for download.

The Draft SEIS was available for a 45-day public review period that began on February 23, 2011 and ended on May 6, 2011. A public hearing was conducted during the review period at the Southeast Community Facility, Alex L. Pitcher Community Room, 1800 Oakdale Avenue, San Francisco, CA 94124 on March 15, 2011, 5:30 to 8:30 P.M. The DoN considered all public comments received on the Draft SEIS and the Final SEIS has been revised, as appropriate, in response to all public comments. All Draft SEIS comments and the DoN responses are included

in the Final SEIS.

The Final SEIS has been distributed to various Federal, State, local agencies, and Native American tribes, as well as other interested individuals and organizations. In addition, copies of the Final SEIS have been distributed and are available at the following libraries and publicly accessible facilities for public review:

An electronic copy of the Final SEIS is also available for public viewing at <http://www.bracpmo.navy.mil>.

This NOA initiates a 30-calender day wait period and public review period for the Final SEIS, beginning the date that this NOA is published in the *Federal Register*. Federal, state, and local agencies, as well as interested members of the public, are invited and encouraged to review the Final SEIS during this 30-calendar day period. During this time no federal decision on the proposed action shall be made or recorded. Following the 30-day wait/review period, per CEQ Regulations for Implementing NEPA, Sec. 1506.10(b)2, the DoN may make a decision on the proposed action and a Record of Decision (ROD) could be issued, completing the NEPA process. Following the DoN decision on the federal action and signature of the ROD, the DoN will publish a NOA for the ROD in the *Federal Register* and the *San Francisco Chronicle* and *Oakland Tribune* newspapers; NOAs will be mailed to government agencies, local organizations, Native American tribes, and interested members of the public; and posted to the DoN BRAC PMO Website.

POLICIES AND PRACTICES FOR STORING, RETRIEVING, ACCESSING, RETAINING, AND DISPOSING OF RECORDS IN THE SYSTEM:**STORAGE:**

Maintained on electronic storage media and/or in file binders/cabinets.

RETRIEVABILITY:

Retrieved by name and or last four digits of SSN.

SAFEGUARDS:

Records are accessed by the custodian of the record system and by individuals responsible for servicing the record system in performance of their official duties and who are properly screened and cleared for need-to-know. Records are stored electronically and/or in locked cabinets or rooms. Electronic media is accessed by a Common Access Card (CAC).

RETENTION AND DISPOSAL:

Retained for one year after decision made to select individual for consideration of continued service in the Air Force. Paper records are destroyed by tearing into pieces, shredding, pulping, macerating, or burning and electronic records are destroyed by magnetic erasing.

SYSTEM MANAGER(S) AND ADDRESS:

Headquarters Air Force Personnel Center, Directorate of Personnel Services, Enlisted Skills Management Branch (HQ AFPC/DPSOA), 550 C Street West, Suite 10, Randolph Air Force Base, TX 78150-4712.

NOTIFICATION PROCEDURES:

Individuals seeking to determine whether this system of records contains information on themselves should address written inquiries to the servicing military personnel section or visit the servicing military personnel section. Official mailing addresses are published as an appendix to the Air Force's compilation of systems of records notices.

For verification purposes, individual should provide their full name, SSN, any details which may assist in locating records, and their signature.

In addition, the requester must provide a notarized statement or an unsworn declaration made in accordance with 28 U.S.C. 1746, in the following format:

If executed outside the United States: 'I declare (or certify, verify, or state) under penalty of perjury under the laws of the United States of America that the foregoing is true and correct. Executed on (date). (Signature).'

If executed within the United States, its territories, possessions, or

commonwealths: 'I declare (or certify, verify, or state) under penalty of perjury that the foregoing is true and correct. Executed on (date). (Signature).'

RECORD ACCESS PROCEDURES:

Individuals seeking to access records about themselves contained in this system should address requests to the servicing military personnel section or visit the servicing military personnel section. Official mailing addresses are published as an appendix to the Air Force's compilation of systems of records notices.

For verification purposes, individual should provide their full name, SSN, any details which may assist in locating records, and their signature.

In addition, the requester must provide a notarized statement or an unsworn declaration made in accordance with 28 U.S.C. 1746, in the following format:

If executed outside the United States: 'I declare (or certify, verify, or state) under penalty of perjury under the laws of the United States of America that the foregoing is true and correct. Executed on (date). (Signature).'

If executed within the United States, its territories, possessions, or commonwealths: 'I declare (or certify, verify, or state) under penalty of perjury that the foregoing is true and correct. Executed on (date). (Signature).'

CONTESTING RECORD PROCEDURES:

The Air Force rules for accessing records and for contesting contents and appealing initial agency determinations are published in 32 CFR part 806b, Air Force Instruction 33-332, Air Force Privacy Program and may be obtained from the system manager.

RECORD SOURCE CATEGORIES:

Entries are made by the supervisor and commander, and acknowledged by the member.

EXEMPTIONS CLAIMED FOR THE SYSTEM:

None.

Notice of Availability of the Draft Supplemental Environmental Impact Statement for the Disposal and Reuse of Hunters Point Naval Shipyard, San Francisco, CA, and To Announce Public Hearings

AGENCY: Department of the Navy, DoD.

ACTION: Notice.

SUMMARY: Pursuant to Section 102(2)(C) of the National Environmental Policy Act (NEPA) of 1969, as implemented by the Council on Environmental Quality regulations (40 CFR parts 1500-1508), the Department of the Navy (Navy) has prepared and filed the Draft Supplemental Environmental Impact Statement (SEIS) evaluating the potential environmental consequences associated with the disposal and reuse of Hunters Point Naval Shipyard (HPS), San Francisco, California. The Navy is required to dispose of HPS per Public Law 101-510, the Defense Base Closure and Realignment Act of 1990, as amended. A public hearing will be held to provide information and receive oral and written comments on the Draft SEIS. Federal, State, and local agencies and interested individuals are invited to be present or represented at the hearing.

Dates and Addresses: One public hearing will be held. The hearing will be preceded by an open information session to allow interested individuals to review information presented in the Draft SEIS. Navy representatives will be available during the information session to provide clarification as necessary related to the Draft SEIS. The public hearing is scheduled as follows: Tuesday, March 15, 2011, from 6:30 p.m. to 8:30 p.m. at the Southeast Community Facility Community Center, Alex L. Pitcher, Jr. Community Room, 1800 Oakdale Avenue, San Francisco, California 94124. The open information session will be held on the same date and at the same location, from 5:30 p.m. to 6:30 p.m.

FOR FURTHER INFORMATION CONTACT:

Director, BRAC PMO West, Attn: Mr. Ronald Bochenek, 1455 Frazee Road, Suite 900, San Diego, CA 92108-4310, telephone 619-532-0906, fax 619-532-9858, e-mail: ronald.bochenek.ctr@navy.mil.

SUPPLEMENTARY INFORMATION: The Navy, as lead agency, has prepared and filed the Draft SEIS for the Disposal and Reuse of Hunters Point Shipyard, San Francisco, California in accordance with the requirements of the NEPA of 1969 (42 U.S.C. 4321-4345) and its implementing regulations (40 CFR parts 1500-1508). A Notice of Intent (NOI) for the SEIS was published in the **Federal Register**/Vol. 73, No. 173 pgs 51797 & 51798/Friday, September 5, 2008/Notices). The purpose of the proposed action is the disposal of HPS from Federal ownership (864 acres [421 acres dry land & 443 acres submerged]) and its subsequent reuse by the County and City of San Francisco in a manner consistent with the Hunters Point Naval

Shipyard Redevelopment Plan as developed by the San Francisco Redevelopment Agency (SFRA) in July 1997, and amended in August 2010. The Navy is required to close HPS in accordance with Public Law 101-510, the Defense Base Closure and Realignment Act of 1990, as amended. In accordance with NEPA, before disposing of any real property, the Navy must analyze the environmental effects of the disposal of the HPS property. The Draft SEIS has identified and considered six reuse alternatives for HPS and a no action alternative. Navy disposal is assumed as part of each reuse alternative. The no action alternative assumes retention of the HPS property by the Government in a "caretaker status" and no reuse or redevelopment.

Alternative 1, Stadium Plan Alternative, would redevelop HPS with a wide range of uses including a mixed-use community with 2,650 residential units, retail (125,000 square feet (sq ft)), research and development (R&D) (2.5 million sq ft), community services (50,000 sq ft), and parks and recreational open space (232 acres). A major component would include a new 69,000-seat football stadium. This alternative would also include a 300-slip marina, improvements to stabilize the shoreline, and a new bridge over Yosemite Slough. New infrastructure would serve the development as necessary.

Alternative 1A (the "Stadium Plan/No Bridge Alternative") includes the disposal of HPS by the Navy and its reuse with the same level, land use types, and density of development as Alternative 1, except that the Yosemite Slough bridge would not be constructed.

Alternative 2 (the "Non-Stadium Plan/Additional R&D Alternative") includes many of the same components as Alternative 1 including 2,650 residential units, retail (125,000 sq ft), community services (50,000 sq ft), and parks and recreational open space (222 acres), a 300-slip marina, improvements to stabilize the shoreline, and a new bridge over Yosemite Slough. Under this alternative, a new football stadium would not be constructed. Instead, an additional 2.5 million sq ft, for a total of 5 million sq ft, of R&D space would be developed.

Alternative 2A (the "Non-Stadium Plan/Housing and R&D Alternative") includes a mix of uses including 4,275 residential units, retail (125,000 sq ft), R&D (3 million sq ft), community services (50,000 sq ft), and parks and recreational open space (222 acres). This alternative would also include a 300-slip marina, improvements to stabilize the shoreline, and a new bridge over

Yosemite Slough. No new football stadium would be constructed.

Alternative 3 (the "Non-Stadium Plan/Additional Housing Alternative") does not include a new stadium, but is comprised of a mix of land uses including 4,000 residential units, retail (125,000 sq ft), R&D (2.5 million sq ft), community services (50,000 sq ft), and parks and recreational open space (245 acres). The alternative also includes a 300-slip marina, improvements to stabilize the shoreline, and a new bridge over Yosemite Slough.

Alternative 4 ("the Non-Stadium Plan/Reduced Development Alternative") includes a reduced density of development. Development proposed under this alternative includes 1,855 residential units, retail (87,500 sq ft), R&D (1.75 million sq ft), community services (50,000 sq ft), and parks and recreational open space (245 acres). This alternative does not include a new stadium, a bridge over Yosemite Slough, a marina, or shoreline stabilization.

The "No Action Alternative" is required by NEPA and evaluates the impacts at HPS in the event that the property is not disposed. Under this alternative the property would be retained by the Navy in caretaker status. Existing leases would continue until they expire or are terminated, and no new leases would be entered into. No reuse or redevelopment would occur under this alternative.

For each alternative, the Draft SEIS addresses the potential direct, indirect, short-term, and long-term impacts on the human and natural environments, including the following resource areas: Transportation, traffic, and circulation; air quality and greenhouse gases; noise; land use and recreation; visual resources and aesthetics; socioeconomic; hazards and hazardous substances; geology and soils; water resources; utilities; public services; cultural resources; biological resources; and environmental justice. The analysis also includes an analysis of cumulative impacts from other reasonably foreseeable Federal, State, or local activities at and around HPS.

The Navy conducted a public scoping period from September 5 to October 17, 2008, and held a public scoping meeting on September 23, 2008, to identify community concerns and local issues that should be addressed in the SEIS. Federal, State, and local agencies and interested parties provided oral and written comments to the Navy and identified specific issues or topics of environmental concern that should be addressed in the SEIS. In addition, the Navy facilitated additional community outreach activities to solicit comments

and concerns from interested community groups in 2009. The Navy considered the scoping and outreach comments in determining the scope of the SEIS.

Federal, State, and local agencies, as well as interested parties, are invited and encouraged to review and comment on the Draft SEIS. Comments can be made in the following ways: (1) Oral statements or written comments at the scheduled public hearing; or (2) written comments mailed to the BRAC PMO address in this notice; or (3) written comments faxed to the BRAC PMO fax number in this notice; or (4) comments submitted via e-mail using the BRAC PMO e-mail address in this notice.

The Draft SEIS has been distributed to various Federal, State, local agencies, and Native American tribes, as well as other interested individuals and organizations. In addition, copies of the Draft SEIS have been distributed to the following libraries and publicly accessible facilities for public review:

1. San Francisco Main Library, 100 Larkin Street, San Francisco, CA 94102.
2. San Francisco State University Library, 1360 Holloway Avenue, San Francisco, CA 94132.
3. Hastings Law Library, UC Hastings College of the Law, 200 McAllister Street, 4th Floor, San Francisco, CA 94102.
4. Jonsson Library of Government Documents, Cecil H. Green Library, Bing Wing, Stanford, CA 94305-6004.
5. Institute of Governmental Studies Library, UC Berkeley, 109 Moses Hall, #2370, Berkeley, CA 94720.
6. San Francisco Redevelopment Agency (By Appointment), One South Van Ness Avenue, Fifth Floor, San Francisco, CA 94103.
7. City Planning Department (By Appointment), 1650 Mission Street, Fourth Floor, San Francisco, CA 94103.

An electronic copy of the Draft SEIS is also available for public viewing at <http://www.bracpmo.navy.mil>.

Equal weight will be given to comments received at the scheduled public hearing and those directly forwarded to BRAC PMO. In the interest of available time, and to ensure all who wish to give oral statements at the public hearing the opportunity to do so, each speaker's comments will be limited to three minutes. If a longer statement is to be presented, it should be summarized at the public hearing and the full text submitted in writing either at the hearing or mailed or e-mailed to the below address. To ensure the accuracy of the record, all statements presented orally at the public hearings should be submitted in writing.

Comments can be submitted in writing or e-mailed to: Director, BRAC PMO West, Attn. Mr. Ronald Bochenek, 1455 Frazee Road, Suite 900, San Diego, CA 92108-4310, telephone 619-532-0906, fax 619-532-9858, e-mail: ronald.bochenek.ctr@navy.mil.

To be considered, all comments must be received by Tuesday, April 12, 2011. Such comments will become part of the public record and will be responded to in the Final SEIS.

Requests for special assistance, sign language interpretation for the hearing impaired, language interpreters, or other auxiliary aids for the scheduled public hearing must be sent by mail or e-mail to BRAC PMO West, Attn: Mr. Ronald Bochenek, 1455 Frazee Road, Suite 900, San Diego, CA 92108-4310, e-mail: ronald.bochenek.ctr@navy.mil.

Dated: February 15, 2011.

DEPARTMENT OF EDUCATION

Predominantly Black Institutions Competitive Grant Program; Office of Postsecondary Education; Overview Information; Predominantly Black Institutions Competitive Grant Program; Notice Inviting Applications for New Awards Using Fiscal Year (FY) 2010 Funds

Catalog of Federal Domestic Assistance (CFDA) Number: 84.382A.

Dates: Applications Available: February 23, 2011.

Deadline for Transmittal of Applications: April 25, 2011.

Deadline for Intergovernmental Review: June 23, 2011.

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The purpose of the Predominantly Black Institutions (PBI) Program is to strengthen PBIs to carry out programs in the following areas: science, technology, engineering, or mathematics (STEM); health education; internationalization or globalization; teacher preparation; or improving educational outcomes of African-American males.

Priorities: These priorities are from the notice of final supplemental priorities and definitions for discretionary grant programs, published in the **Federal Register** on December 15, 2010 (75 FR 78486).

Competitive Preference Priorities: For FY 2011, these priorities are competitive preference priorities. Under 34 CFR 75.105(c)(2)(i), we award an additional two and a half points to an application that meets one of the priorities, or an additional five points to an application that meets both of these priorities.

These priorities are:

1. Increasing Postsecondary Success

Increasing the number and proportion of high-need students (as defined in this notice) who persist in and complete college or other postsecondary education and training; and

2. Enabling More Data-Based Decision-Making

Projects that are designed to collect (or obtain), analyze, and use high-quality and timely data, including data on program participant outcomes, in accordance with privacy requirements (as defined in this notice), in the following priority area:

Improving postsecondary student outcomes relating to enrollment, persistence, and completion and leading to career success.

Definitions: These definitions are from the notice of final supplemental priorities and definitions for discretionary grant programs, published in the **Federal Register** on December 15, 2010 (75 FR 78486).

High-need children and high-need students means children and students at risk of educational failure, such as children and students who are living in poverty, who are English learners, who are far below grade level or who are not on track to becoming college- or career-ready by graduation, who have left school or college before receiving, respectively, a regular high school diploma or a college degree or certificate, who are at risk of not graduating with a diploma on time, who are homeless, who are in foster care, who are pregnant or parenting teenagers, who have been incarcerated, who are new immigrants, who are migrant, or who have disabilities.

Privacy requirements means the requirements of the Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. 1232g, and its implementing regulations in 34 CFR part 99, the Privacy Act, 5 U.S.C. 552a, as well as all applicable Federal, State and local requirements regarding privacy.

Program Authority: Title III, part F, section 371 of the Higher Education Act of 1965, as amended (HEA) (20 U.S.C. 1067q).

Applicable Regulations: (a) The Education Department General Administrative Regulations (EDGAR) in

34 CFR parts 74, 75, 77, 79, 82, 84, 85, 86, 97, 98, and 99. (b) The notice of final supplemental priorities and definitions for discretionary grant programs, published in the **Federal Register** on December 15, 2010 (75 FR 78486).

II. Award Information

Type of Award: Discretionary grants.
Estimated Available Funds: \$15,000,000.

Note: Funds appropriated for this program for FY 2010 remain available for obligation in FY 2011 pursuant to 20 U.S.C. 1067q(b)(1)(B)).

Estimated Average Size of Awards: \$600,000.

Estimated Number of Awards: 25.

Note: The Department is not bound by any estimates in this notice.

Project Period: Up to 48 months.

III. Eligibility Information

1. Eligible Applicants: To be eligible to apply, an institution of higher education (IHE) must have submitted the "Application for Designation as an Eligible Institution" and must have received FY 2010 designation as an eligible institution for programs under title III and title V of the HEA. The original deadline for applying for designation as an eligible institution was January 6, 2010. (74 FR 64059-64062). However, the FY 2010 eligibility process was reopened with an application deadline of September 13, 2010 for PBIs (and certain other institutions) to allow maximum participation of potentially eligible applicants (74 FR 49484). The regulations explaining the standards for designation can be found in 34 CFR 607.2 through 607.5. In addition, an applicant must—

(a) Have an enrollment of needy students, as defined by section 371(c)(3) of the HEA (20 U.S.C. 1067q(c)(3)). The term *enrollment of needy students* means the enrollment at the eligible IHE with respect to which not less than 50 percent of the undergraduate students enrolled in an academic program leading to a degree—

(i) In the second fiscal year preceding the fiscal year for which the determination is made, were Federal Pell Grant recipients for such year;

(ii) Come from families that receive benefits under a means-tested Federal benefit program (as defined in section 371(c)(5) of the HEA, 20 U.S.C. 1067q(c)(5));

(iii) Attended a public or nonprofit private secondary school that—

Notice of Availability of the Draft Supplemental Environmental Impact Statement for the Disposal and Reuse of Hunters Point Naval Shipyard, San Francisco, California, and to Announce Public Hearings.

AGENCY: Department of the Navy, DoD.

ACTION: Notice.

SUMMARY: Pursuant to Section 102(2)(C) of the National Environmental Policy Act (NEPA) of 1969, as implemented by the Council on Environmental Quality regulations (40 CFR Parts 1500-1508), the Department of the Navy (Navy) has prepared and filed the Draft Supplemental Environmental Impact Statement (SEIS) evaluating the potential environmental consequences associated with the disposal and reuse of Hunters Point Naval Shipyard (HPS), San Francisco, California. The Navy is required to dispose of HPS per Public Law 101-510, the Defense Base Closure and Realignment Act of 1990, as amended. A public hearing will be held to provide information and receive oral and written comments on the Draft SEIS. Federal, state, and local agencies and interested individuals are invited to be present or represented at the hearing.

DATES AND ADDRESSES: One public hearing will be held. The hearing will be preceded by an open information session to allow interested individuals to review information presented in the Draft SEIS. Navy representatives will be available during the information session to provide clarification as necessary related to the Draft SEIS.

The public hearing is scheduled as follows:

Date: Tuesday, March 15, 2011

Time: Open House – 5:30 P.M. to 6:30 P.M.
Public Hearing - 6:30 P.M. to 8:30 P.M.

Location: Southeast Community Facility Community Center, Alex L. Pitcher, Jr.
Community Room, 1800 Oakdale Avenue, San Francisco, California, 94124.

FOR FURTHER INFORMATION CONTACT: Director, BRAC PMO West, Attn: Mr. Ronald Bochenek, 1455 Frazee Road, Suite 900, San Diego, CA 92108-4310, telephone 619-532-0906, fax 619-532-9858, email: ronald.bochenek.ctr@navy.mil.

SUPPLEMENTARY INFORMATION: The Navy, as lead agency, has prepared and filed the Draft SEIS for the Disposal and Reuse of Hunters Point Shipyard, San Francisco, California in accordance with the requirements of the NEPA of 1969 (42 U.S.C. 4321-4345) and its

implementing regulations (40 CFR parts 1500-1508). A Notice of Intent (NOI) for the SEIS was published in the *Federal Register* on September 5, 2008 (*Federal Register*/Vol. 73, No. 173 pgs 51797 & 51798/ Friday, September 5, 2008/Notices). The purpose of the proposed action is the disposal of HPS from federal ownership (864 acres [421 acres dry land & 443 acres submerged]) and its subsequent reuse by the County and City of San Francisco in a manner consistent with the Hunters Point Naval Shipyard Redevelopment Plan as developed by the San Francisco Redevelopment Agency (SFRA) in July 1997, and amended in August 2010. The Navy is required to close HPS in accordance with Public Law 101-510, the Defense Base Closure and Realignment Act of 1990, as amended. In accordance with NEPA, before disposing of any real property, the Navy must analyze the environmental effects of the disposal of the HPS property. The Draft SEIS has identified and considered six reuse alternatives for HPS and a no action alternative. Navy disposal is assumed as part of each reuse alternative. The no action alternative assumes retention of the HPS property by the Government in a “caretaker status” and no reuse or redevelopment.

Alternative 1, (“Stadium Plan Alternative”), would redevelop HPS with a wide range of uses including a mixed-use community with 2,650 residential units, retail (125,000 square feet (sq ft)), research and development (R&D) (2.5 million sq ft), community services (50,000 sq ft), and parks and recreational open space (232 acres). A major component would include a new 69,000-seat football stadium. This alternative would also include a 300-slip marina, improvements to stabilize the shoreline, and a new bridge over Yosemite Slough. New infrastructure would serve the development as necessary.

Alternative 1A (Stadium Plan/No Bridge Alternative) includes the disposal of HPS by the Navy and its reuse with the same level, land use types, and density of development as Alternative 1, except that the Yosemite Slough bridge would not be constructed.

Alternative 2 (Non-Stadium Plan/Additional R&D Alternative) includes many of the same components as Alternative 1 including 2,650 residential units, retail (125,000 sq ft), community services (50,000 sq ft), and parks and recreational open space (222 acres), a 300-slip marina, improvements to stabilize the shoreline, and a new bridge over Yosemite Slough. Under this alternative, a new football stadium would not be constructed. Instead, an additional 2.5 million sq ft, for a total of 5 million sq ft, of R&D space would be developed.

Alternative 2A (Non-Stadium Plan/Housing and R&D Alternative) includes a mix of uses including 4,275 residential units, retail (125,000 sq ft), R&D (3 million sq ft), community services (50,000 sq ft), and parks and recreational open space (222 acres). This alternative would also include a 300-slip marina, improvements to stabilize the shoreline, and a new bridge over Yosemite Slough. No new football stadium would be constructed.

Alternative 3 (Non-Stadium Plan/Additional Housing Alternative) does not include a new stadium, but is comprised of a mix of land uses including 4,000 residential units, retail (125,000 sq ft), R&D (2.5 million sq ft), community services (50,000 sq ft), and parks and recreational open space (245 acres). The alternative also includes a 300-slip marina, improvements to stabilize the shoreline, and a new bridge over Yosemite Slough.

Alternative 4 (Non-Stadium Plan/Reduced Development Alternative) includes a reduced density of development. Development proposed under this alternative includes 1,855 residential units, retail (87,500 sq ft), R&D (1.75 million sq ft), community services (50,000 sq ft), and parks and recreational open space (245 acres). This alternative does not include a new stadium, a bridge over Yosemite Slough, a marina, or shoreline stabilization.

The **No Action Alternative** is required by NEPA and evaluates the impacts at HPS in the event that the property is not disposed. Under this alternative the property would be retained by the Navy in caretaker status. Existing leases would continue until they expire or are terminated, and no new leases would be entered into. No reuse or redevelopment would occur under this alternative.

For each alternative, the Draft SEIS addresses the potential direct, indirect, short-term, and long-term impacts on the human and natural environments, including the following resource areas: transportation, traffic, and circulation; air quality and greenhouse gases; noise; land use and recreation; visual resources and aesthetics; socioeconomic; hazards and hazardous substances; geology and soils; water resources; utilities; public services; cultural resources; biological resources; and environmental justice. The analysis also includes an analysis of cumulative impacts from other reasonably foreseeable federal, state, or local activities at and around HPS.

The Navy conducted a public scoping period from September 5 to October 17, 2008, and held a public scoping meeting on September 23, 2008, to identify community concerns and local issues that should be addressed in the SEIS. Federal, state, and local agencies and interested parties provided oral and written comments to the Navy and identified specific issues or topics of environmental concern that should be addressed in the SEIS. In addition, the Navy facilitated additional community outreach activities to solicit comments and concerns from interested community groups in 2009. The Navy considered the scoping and outreach comments in determining the scope of the SEIS.

Federal, state, and local agencies, as well as interested parties, are invited and encouraged to review and comment on the Draft SEIS. Comments can be made in the following ways:

- (1) Oral statements or written comments at the scheduled public hearing; or
- (2) Written comments mailed to the BRAC PMO address in this notice; or
- (3) Written comments faxed to the BRAC PMO fax number in this notice; or
- (4) Comments submitted via e-mail using the BRAC PMO e-mail address in this notice.

The Draft SEIS has been distributed to various Federal, State, local agencies, and Native American tribes, as well as other interested individuals and organizations. In addition, copies of the Draft SEIS have been distributed to the following libraries and publicly accessible facilities for public review:

Equal weight will be given to comments received at the scheduled public hearing and those directly forwarded to BRAC PMO. In the interest of available time, and to ensure all who wish to give oral statements at the public hearing the opportunity to do so, each speaker's comments will be limited to three minutes. If a longer statement is to be presented, it should be summarized at the public hearing and the full text submitted in writing either at the hearing or mailed or emailed to the below address. To ensure the accuracy of the record, all statements presented orally at the public hearings should be submitted in writing.

Comments can be submitted in writing or emailed to:

**NOTICE OF AVAILABILITY
DRAFT SUPPLEMENTAL ENVIRONMENTAL IMPACT
STATEMENT (SEIS)
FOR THE DISPOSAL AND REUSE OF
HUNTERS POINT NAVAL SHIPYARD,
SAN FRANCISCO, CA,
AND TO ANNOUNCE PUBLIC HEARINGS**

Pursuant to Section 102 (2) (C) of the National Environmental Policy Act (NEPA) of 1969, as implemented by the Council on Environmental Quality Regulations (40 CFR Parts 1500-1508), the U.S. Department of the Navy (Navy) announces the availability of the Draft Supplemental Environmental Impact Statement (SEIS) for the disposal and reuse of Hunters Point Naval Shipyard (HPS), San Francisco, California. A public hearing will also be held to provide information and receive oral and written comments on the Draft SEIS.

The Navy is required to dispose of HPS per Public Law 101-510, the Defense Base Closure and Realignment Act of 1990, as amended. The proposed action is the disposal of HPS from federal ownership (861 acres [421 acres dry land & 440 acres submerged]) and its subsequent reuse by the County and City of San Francisco in a manner consistent with the **Hunters Point Naval Shipyard Redevelopment Plan** as developed by the San Francisco Redevelopment Agency (SFRA) in July 1997, and amended in August 2010. The Draft SEIS examines the potential human and natural environmental consequences of the proposed action and any impacts associated with the reasonably foreseeable reuse of HPS. The Draft SEIS is a supplement to the Navy's **Final EIS for the Disposal and Reuse of Hunters Point Shipyard** (March 2000).

Federal, state, and local agencies, as well as interested members of the public, are invited and encouraged to review and comment on the Draft SEIS. The Draft SEIS is available for viewing at the following locations:

The membership of the National Museum of the Marine Corps Subcommittee shall be in addition to the Board's membership.

The Executive Subcommittee shall be composed of not more than four members, and these individuals shall be officers or former officers of the Board membership. Specifically, they shall be the Board's president, the President-elect, the past President, and the Secretary of the Board. The Executive Subcommittee shall meet to discuss only administrative or preparatory matters that may occur between regularly scheduled Board meetings, and do not require deliberation by the full Board membership.

The Secretary of Defense authorizes the President of the Marine Corps University to serve as a non-voting ex-officio member of the Executive Subcommittee. In addition, the Secretary of Defense authorizes the Director of the National Museum of the Marine Corps to serve as a non-voting ex-officio member of the National Museum of the Marine Corps Subcommittee. These appointments shall not count toward the subcommittee's total membership.

SUPPLEMENTARY INFORMATION: The Board shall meet at the call of the Board's Designated Federal Officer, in consultation with the President of the Marine Corps University; the Commanding General, Marine Corps Combat Development Command; and the Board President. The Board shall meet at least once per year.

The Designated Federal Officer, pursuant to DoD policy, shall be a full-time or permanent part-time DoD employee, and shall be appointed in accordance with established DoD policies and procedures. In addition, the Designated Federal Officer is required to be in attendance at all meetings, however, in the absence of the Designated Federal Officer, the Alternate Designated Federal Officer shall attend the meeting.

Pursuant to 41 CFR 102-3.105(j) and 102-3.140, the public or interested organizations may submit written statements to the Board of Visitors,

Marine Corps University membership about the Board's mission and functions. Written statements may be submitted at any time or in response to the stated agenda of planned meeting of Board of Visitors, Marine Corps University.

All written statements shall be submitted to the Designated Federal Officer for the Board of Visitors, Marine Corps University, and this individual will ensure that the written statements are provided to the membership for their consideration. Contact information for the Board of Visitors, Marine Corps University Designated Federal Officer can be obtained from the GSA's FACA Database—<https://www.fido.gov/facadatabase/public.asp>.

The Designated Federal Officer, pursuant to 41 CFR 102-3.150, will announce planned meetings of the Board of Visitors, Marine Corps University. The Designated Federal Officer, at that time, may provide additional guidance on the submission of written statements that are in response to the stated agenda for the planned meeting in question.

Department of the Navy

Notice of Extension of Public Comment Period for the Draft Supplemental Environmental Impact Statement for the Disposal and Reuse of Hunters Point Naval Shipyard, San Francisco, CA

AGENCY: Department of the Navy, DoD.

ACTION: Notice.

SUMMARY: The Department of the Navy (Navy) is extending the public comment period for the Draft Supplemental Environmental Impact Statement (SEIS) for the Disposal and Reuse of Hunters Point Naval Shipyard (HPS), San Francisco, California until Friday, May 6, 2011. A Notice of Availability (NOA) and Notice of Public Hearing (NOPH) for the Draft SEIS were published in the **Federal Register** on Wednesday, February 23, 2011 (**Federal Register**/Vol. 76, No. 36, Pages 10012-10014/Wednesday, February 23, 2011/Notices).

Those notices announced the initial public comment period, including a public hearing that took place on Tuesday, March 15, 2011, and also provided additional information on the background and scope of the Draft SEIS. The initial public comment period requested the submission of all comments on the Draft SEIS to the Navy by Tuesday, April 12, 2011. In response to a request from the U.S. Environmental Protection Agency (EPA), the Navy is extending the public comment period until Friday, May 6, 2011.

FOR FURTHER INFORMATION CONTACT:

Director, BRAC PMO West, Attn: Mr. Ronald Bochenek, 1455 Frazee Road, Suite 900, San Diego, CA 92108-4310, telephone 619-532-0906, fax 619-532-9858, e-mail: ronald.bochenek.ctr@navy.mil.

SUPPLEMENTARY INFORMATION: The Navy, as lead agency, has prepared and filed the Draft SEIS for the Disposal and Reuse of HPS, San Francisco, California in accordance with the requirements of the NEPA of 1969 (42 U.S.C. 4321 *et seq.*) and its implementing regulations (40 CFR parts 1500-1508). The Draft SEIS evaluates the potential environmental consequences associated with the disposal and reuse of HPS. The Draft SEIS is a supplement to the Navy's 2000 Final Environmental Impact Statement for the Disposal and Reuse of HPS (March 2000).

A NOA and NOPH for the Draft SEIS were published in the **Federal Register** on Wednesday, February 23, 2011 (**Federal Register**/Vol. 76, No. 36, Pages 10012-10014/Wednesday, February 23, 2011/Notices), to solicit comments on the Draft SEIS from Federal, State, and local agencies and interested members of the public. In response to requests from the EPA, the Navy is extending the public comment period for the Draft SEIS until Friday, May 6, 2011.

The purpose of the proposed action is the disposal of HPS from Federal ownership and its subsequent reuse by the County and City of San Francisco in a manner consistent with the Hunters Point Naval Shipyard Redevelopment Plan as developed by the San Francisco Redevelopment Agency in July 1997, and amended in August 2010. The Draft SEIS has identified and considered six reuse alternatives and a no action alternative. Navy disposal is assumed as part of each reuse alternative.

More information of the Draft SEIS can be found in the previously published NOA and NOPH (see **Federal Register**/Vol. 76, No. 36, Pages 10012-10014/Wednesday, February 23, 2011/Notices).

Federal, State, and local agencies, as well as interested individuals, are invited and encouraged to review and comment on the Draft SEIS. Comments can be made in the following ways: (1) Written comments mailed to the BRAC PMO address in this notice; or (2) written comments faxed to the BRAC PMO fax number in this notice; or (3) comments submitted via e-mail using the BRAC PMO e-mail address in this notice.

The Draft SEIS has been distributed to various Federal, State, local agencies, and Native American Tribes, as well as other interested individuals and organizations. Notice of Availability for Final PEA and Draft FONSI

AGENCY: Department of the Navy, DoD.

ACTION: Notice of availability.

SUMMARY: Pursuant to Section (102)(2)(c) of the National Environmental Policy Act of 1969 (NEPA) (42 United States Code 4321), as implemented by the Council on Environmental Quality regulations for implementing the procedural provisions of NEPA (40 Code of Federal Regulations [CFR] Parts 1500-1508), and Marine Corps NEPA directives (Marine Corps Order P5090.2A), the Department of the Navy announces the availability of, the Final Programmatic Environmental Assessment (PEA) and draft Finding of No Significant Impact (FONSI) for the development and operation of small-scale wind energy projects at United States Marine Corps (USMC) facilities throughout the Continental United States (CONUS). It is anticipated that site-specific NEPA analysis may be tiered off this document, as appropriate.

Dates and Addresses: The waiting period for the Final PEA and FONSI will end 30 days after publication of a Notice of Availability in the **Federal Register**.

The Final PEA and draft FONSI are available for electronic viewing at <http://marines.mil/unit/marforres/MFRHQ/FACILITIES/FACILITIES.aspx>, or by sending a request to Alain Flexer, USMC Marine Forces Reserves (MARFORRES), by telephone 504-678-8489, by fax 504-678-6823, by e-mail to alain.flexer@usmc.mil or by writing to: MARFORRES, Facilities, Attn: Alain Flexer, 4400 Dauphine Street, New Orleans, Louisiana 70146-5400.

NOTICE OF EXTENSION OF PUBLIC COMMENT PERIOD FOR THE DRAFT SUPPLEMENTAL ENVIRONMENTAL IMPACT STATEMENT FOR THE DISPOSAL AND REUSE OF HUNTERS POINT NAVAL SHIPYARD, SAN FRANCISCO, CALIFORNIA.

SUMMARY: The Department of the Navy (Navy) is extending the public comment period for the Draft Supplemental Environmental Impact Statement (SEIS) for the Disposal and Reuse of Hunters Point Naval Shipyard (HPS), San Francisco, California until Friday, May 6, 2011. A Notice of Availability (NOA) and Notice of Public Hearing (NOPH) for the Draft SEIS were published in the *Federal Register* on Wednesday, February 23, 2011 (*Federal Register*/Vol. 76, No. 36, Pages 10012-10014/Wednesday, February 23, 2011/Notices). That Federal Register notice announced the initial public comment period, including a public hearing that took place on Tuesday, March 15, 2011, and also provided additional information on the background and scope of the Draft SEIS. The initial public comment period requested the submission of all comments on the Draft SEIS to the Navy by Tuesday, April 12, 2011. In response to a request from the U.S. Environmental Protection Agency, the Navy is extending the public comment period until Friday, May 6, 2011.

FOR FURTHER INFORMATION CONTACT: Director, BRAC PMO West, Attn: Mr. Ronald Bochenek, 1455 Frazee Road, Suite 900, San Diego, CA 92108-4310, telephone 619-532-0906, fax 619-532-9858, email: ronald.bochenek.ctr@navy.mil.

SUPPLEMENTARY INFORMATION: The Navy, as lead agency, has prepared and filed the Draft SEIS for the Disposal and Reuse of HPS, San Francisco, California in accordance with the requirements of the National Environmental Policy Act (NEPA) of 1969 (42 U.S.C. 4321 et seq.) and its implementing regulations (40 CFR parts 1500-1508). The Draft SEIS evaluates the potential environmental consequences associated with the disposal and reuse of HPS. The Draft SEIS is a supplement to the Navy's 2000 *Final Environmental Impact Statement for the Disposal and Reuse of Hunters Point Shipyard* (March 2000).

A NOA and NOPH for the Draft SEIS were published in the *Federal Register* on Wednesday, February 23, 2011 (*Federal Register*/Vol. 76, No. 36, Pages 10012-10014/Wednesday, February 23, 2011/Notices) to solicit comments on the Draft SEIS from federal, state, and local agencies and interested members of the public. In response to requests from the U.S. Environmental Protection Agency, the Navy is extending the public comment period for the Draft SEIS until Friday, May 6, 2011.

The purpose of the proposed action is the disposal of HPS from federal ownership and its subsequent reuse by the County and City of San Francisco in a manner consistent with the Hunters Point Naval Shipyard Redevelopment Plan as developed by the San Francisco Redevelopment Agency in July 1997, and amended in August 2010. The Draft SEIS has identified and considered six reuse alternatives and a no action alternative. Navy disposal is assumed as part of each reuse alternative.

More information of the Draft SEIS can be found in the previously published NOA and NOPH (see *Federal Register*/Vol. 76, No. 36, Pages 10012-10014/Wednesday, February 23, 2011/Notices).

Federal, state, and local agencies, as well as interested individuals, are invited and encouraged to review and comment on the Draft SEIS. Comments can be made in the following ways: (1) written comments mailed to the BRAC PMO address in this notice; or (2) written comments faxed to the BRAC PMO fax number in this notice; or (3) comments submitted via e-mail using the BRAC PMO e-mail address in this notice.

The Draft SEIS has been distributed to various federal, state, local agencies, and Native American tribes, as well as other interested individuals and organizations. In addition, copies of the Draft SEIS have been distributed to the following libraries and publicly accessible facilities for public review:

Notice of Draft Supplemental Environmental Impact Statement Former Naval Shipyard Hunters Point: February 23, 2011 - The U.S. Department of the Navy (Navy) has announced the availability of the Draft Supplemental Environmental Impact Statement (SEIS) for the disposal and reuse of Hunters Point Naval Shipyard (HPS), San Francisco, California. The Navy is required to dispose of HPS per Public Law 101-510, the Defense Base Closure and Realignment Act of 1990, as amended. The proposed action is the disposal of HPS from federal

ownership (864 acres [421 acres dry land & 443 acres submerged]) and its subsequent reuse by the County and City of San Francisco in a manner consistent with the Hunters Point Naval Shipyard Redevelopment Plan as developed by the San Francisco Redevelopment Agency (SFRA) in July 1997, and amended in August 2010. The Draft SEIS examines the potential human and natural environmental consequences of the proposed action and any impacts associated with the reasonably foreseeable reuse of HPS. This Draft SEIS is a supplement to the Navy's Final EIS for the Disposal and Reuse of Hunters Point Shipyard (March 2000).

There will be an open information session and public hearing scheduled for Tuesday, March 15, 2011, 5:30 P.M. to 8:30 P.M. at the Southwest Community Facility Community Center, Alex Pitcher, Jr. Community Room, 1800 Oakdale Avenue, San Francisco, CA, 94124. BILLING CODE 3510-22-S

DEPARTMENT OF DEFENSE

Department of the Navy

Notice of Intent To Prepare a Supplemental Environmental Impact Statement (SEIS) for the Disposal and Reuse of Hunters Point Shipyard, San Francisco, California and To Announce a Public Scoping Meeting

AGENCY: Department of the Navy, DoD.

ACTION: Notice.

SUMMARY: Pursuant to Section (102)(2)(c) of the National Environmental Policy Act (NEPA) of 1969, and the regulations implemented by the Council on Environmental Quality (40 CFR Parts 1500-1508), the Department of the Navy (Navy) announces its intent to prepare a Supplemental Environmental Impact Statement (SEIS) to evaluate the potential environmental consequences of the proposed disposal and reuse of the surplus portion of Hunters Point Shipyard, San Francisco, California.

DATES AND ADDRESSES: A public scoping meeting will be held on Tuesday, September 23, 2008, from 6 p.m. to 8 p.m. at the Southeast Community Facility, Alex L. Pitcher Community Room, 1800 Oakdale Avenue, San Francisco, California 94124. The purpose of the meeting will be to receive oral and written comments on environmental concerns that should be addressed in the SEIS.

FOR FURTHER INFORMATION CONTACT: Mr. Patrick McCay, telephone: 619-532-0906; E-Mail: patrick.mccay@navy.mil or write to: Director, BRAC PMO West, ATTN: Mr. Patrick McCay, 1455 Frazee Road, Suite 900, San Diego, CA 92108.

SUPPLEMENTARY INFORMATION: The proposal being evaluated in the SEIS is

the disposal and reuse of Hunters Point Shipyard, which encompasses approximately 860 acres (417 acres of dry land and 443 acres of submerged land) on a peninsula along San Francisco's southeastern waterfront between the City's Financial District and San Francisco International Airport. In 2004, Parcel A, approximately 76 acres, was transferred to the City of San Francisco and is not considered as part of the proposed federal action. The new proposed federal action is a change in reuse from, and represents an amendment to, the original proposed Hunters Point Redevelopment Plan, as addressed by the Navy in the "Final EIS for the Disposal and Reuse of Hunters Point Shipyard" (March 2000).

The Navy is the action proponent for the new proposal, which is also a component of the Bayview Waterfront Project being addressed in an Environmental Impact Report by the Redevelopment Agency of the City and County of San Francisco and the Planning Department of the City and County of San Francisco. The purpose of and need for the proposed action is to dispose of surplus federal property at Hunters Point Shipyard which was closed in accordance with the Defense Base Closure and Realignment for subsequent reuse.

For the SEIS, two alternatives will be considered as part of the disposal and reuse action: Stadium Plan Alternative and Non-Stadium Plan Alternative. The Stadium Plan Alternative includes a mixed-use community comprising 2,500 new residential units, 125,000 square feet of retail space, 2,000,000 square feet of research and development (R&D) space, 250 acres of parks and recreational open space, and civic and community uses. A major component would be a new, 69,000-seat National Football League stadium for the San Francisco 49ers.

The Non-Stadium Plan Alternative would not include the stadium for the San Francisco 49ers, but instead would provide 5,000,000 square feet of R&D space, in addition to the other components noted under the Stadium Plan Alternative for residential, retail, R&D, parks and recreation, and civic and community use space. Both action alternatives would be consistent with specifications of the Bayview Jobs, Parks and Housing Initiative (Proposition G), which was approved by San Francisco voters in June of 2008.

The SEIS will also consider a No Action Alternative.

Environmental issues areas to be addressed in the SEIS include: Transportation, traffic and circulation, air quality, noise, cultural resources,

hazards and hazardous materials, land use compatibility and policy conformity, geology and soils, hydrology and water quality, biological resources, public services, utilities, population and housing, visual resources, and energy.

The Navy will initiate a scoping process for the purpose of determining the extent of issues to be addressed, and identifying significant issues related to the disposal and reuse of Hunters Point Shipyard. This process will include a public scoping meeting as noted in the Dates and Addresses Section of this notice and which will be advertised in area newspapers.

Navy representatives will be available at the meeting to receive comments from the public regarding issues of concern. Federal, state, and local agencies, and interested individuals are encouraged to take this opportunity to identify environmental concerns that should be addressed during the preparation of the SEIS. Agencies and the public are also invited and encouraged to provide written comments on scoping issues in addition to, or in lieu of, oral comments at the public meeting. To be most helpful, scoping comments should clearly describe specific issues or topics that the commenter believes the SEIS should address.

Written comments must be postmarked no later than October 17, 2008, and mailed to: Director, BRAC PMO West, ATTN: Mr. Patrick McCay, 1455 Frazee Road, Suite 900, San Diego, California 92108; e-mail: patrick.mccay@navy.mil; Fax: 619-532-0940.

Dated: August 28, 2008.

PUBLIC NOTICE

SUBJECT: NOTICE OF SCOPING OF PUBLIC CONCERNS REGARDING A SUPPLEMENTAL ENVIRONMENTAL IMPACT STATEMENT FOR THE DISPOSAL AND REUSE OF HUNTERS POINT SHIPYARD, SAN FRANCISCO, CALIFORNIA.

The United States Department of the Navy (Navy) is preparing a Supplemental Environmental Impact Statement (SEIS) for the disposal and reuse of Hunters Point Shipyard, located in San Francisco, California. The Defense Base Closure and Realignment Act (Public Law 101-510), as implemented by the 1993 base closure process, directs the U.S. Navy to close Naval Station Treasure Island and its off-station property, Hunters Point Annex (the former Naval Shipyard, Hunters Point). An Environmental Impact Statement (EIS) was prepared in 2000, and a SEIS shall now be prepared in accordance with Section 102(2)(c) of the National Environmental Policy Act (NEPA) of 1969 as implemented by the Council on Environmental Quality regulations (40 CFR Parts 1500-1508). The Navy shall be the EIS lead agency.

Federal, state, and local agencies and interested individuals are encouraged to participate in the scoping process for the SEIS to determine the range of issues and alternatives to be addressed. A public scoping meeting to receive oral and written comments regarding the proposed disposal and reuse action will be held on Tuesday, September 23, 2008 from 6:00 to 8:00 pm at the Southeast Community Facility, Alex L. Pitcher Community Room located at 1800 Oakdale Avenue, San Francisco, California 94124.

The Hunters Point Shipyard property being considered in the SEIS is located within the City and County of San Francisco and encompasses approximately 860 acres (417 acres of dry land and 443 acres of submerged land) on a peninsula along the southeast San Francisco waterfront. In 2004, Parcel A, approximately 76 acres, was transferred to the City of San Francisco and is not considered as part of the proposed Federal action. The property was developed for industrial ship repair facilities and associated buildings, including limited support facilities (residential, recreational), and is currently undergoing cleanup. The SEIS will address the proposed disposal of the property and potential impacts associated with reuse plans. The new proposed federal action is a change in reuse from, and represents an amendment to, the original proposed Hunters Point Redevelopment Plan, as addressed by the Navy in the "Final EIS for the Disposal and Reuse of Hunters Point Shipyard" (March 2000). The Navy is the action proponent for the new proposal, which is also a component of the Bayview Waterfront Project being addressed in an Environmental Impact Report (EIR) by the Redevelopment Agency of the City and County of San Francisco and the Planning Department of the City and County of San Francisco. The purpose of and need for the proposed action is to dispose of surplus federal property at Hunters Point Shipyard which was closed in accordance with the Defense Base Closure and Realignment for subsequent reuse.

For the SEIS, two alternatives will be considered as part of the disposal and reuse action: Stadium Plan Alternative and Non-Stadium Plan Alternative. The Stadium Plan Alternative would include a mixed-use community comprising 2,500 new residential units, 125,000 square feet of retail space, 2,000,000 square feet of research and development (R&D) area, 250 acres of parks and recreational open space, and civic and community uses. This residential area would include three towers ranging from 200 to 350 feet in height, with some commercial uses on the lower floors. The Stadium Plan Alternative features a new street grid with large blocks, a Village Center, internal parking structures, redeveloped artist studios, a new artist center, and may include two marinas and a ferry terminal. A major component would be a new, 69,000-seat National Football League stadium for the San Francisco 49ers.

The Non-stadium Plan Alternative would not include the stadium for the San Francisco 49ers, but instead would provide 5,000,000 square feet of R&D space, in addition to the other components noted under the Stadium Plan Alternative for residential, retail, R&D, parks and recreation, and civic and community use space. Both action alternatives would be consistent with specifications of the Bayview Jobs, Parks and Housing Initiative (Proposition G), which was approved by San Francisco voters in June of 2008. The SEIS will also consider the "No Action Alternative."

In accordance with federal regulations implementing NEPA, the Navy takes this opportunity to invite the public to provide written comments on scoping issues in addition to, or in lieu of, oral comments at the public meeting regarding the above action. Affected federal, state, and local agencies and other interested parties are invited to submit written comments to:

The SEIS will also consider a No Action Alternative. Environmental issue areas to be addressed in the SEIS include: transportation, traffic and circulation, air quality, noise, cultural resources, hazards and hazardous materials, land use compatibility and policy conformity, geology and soils, hydrology and water quality, biological resources, public services, utilities, population and housing, visual resources, and energy.

The Navy will initiate a scoping process for the purpose of determining the extent of issues to be addressed, and identifying significant issues related to the disposal and reuse of Hunters Point Shipyard. This process will include a public scoping meeting. Navy representatives will be available at the meeting to receive oral and written comments from the public regarding issues of concern. The scoping meeting for Hunters Point Shipyard is scheduled as follows:

Date: September 23, 2008
Time: 6:00 pm - 8:00 pm
Location: Southeast Community Facility,
Alex L. Pitcher Community Room,
1800 Oakdale Avenue
San Francisco, California 94124

Agencies and interested members of the public are encouraged to provide their comments to Navy representatives at the meeting. Written comments are also welcome in addition to, or in lieu of, oral comments. To be most helpful, scoping comments should clearly describe specific issues or topics that the commenter believes the SEIS should address. Written comments must be postmarked no later than October 17, 2008, and should be mailed to Director, BRAC PMO West, ATTN: Mr. Patrick McCay, 1455 Frazee Road, Suite 900, San Diego, CA 92108. For more information please contact Mr. McCay by telephone 619-532-0906 or by e-mail patrick.mccay@navy.mil.

Notice of Intent to Prepare a Supplemental Environmental Impact Statement (SEIS) for the Disposal and Reuse of Hunters Point Shipyard, San Francisco, California and to Announce a Public Scoping Meeting

Pursuant to Section 102(2)(c) of the National Environmental Policy Act (NEPA) of 1969, and the regulations implemented by the Council on Environmental Quality (40 CFR Parts 1500-1508), the Department of the Navy (Navy) announces its intent to prepare a Supplemental Environmental Impact Statement (SEIS) to evaluate the potential environmental consequences of the proposed disposal and reuse of the surplus portion of Hunters Point Shipyard, San Francisco, California.

The proposal being evaluated in the SEIS is the disposal and reuse of Hunters Point Shipyard, which encompasses approximately 860 acres (417 acres of dry land and 443 acres of submerged land) on a peninsula along San Francisco's southeastern waterfront between the City's Financial District and San Francisco International Airport. In 2004, Parcel A, approximately 76 acres, was transferred to the City of San Francisco and is not considered as part of the proposed federal action. The new proposed federal action is a change in use from, and represents an amendment to, the original proposed Hunters Point Redevelopment Plan, as addressed by the Navy in the "Final EIS for the Disposal and Reuse of Hunters Point Shipyard" (March 2000). The Navy is the action proponent for the new proposal, which is also a component of the Bayview Waterfront Project being addressed in an Environmental Impact Report by the Redevelopment Agency of the City and County of San Francisco and the Planning Department of the City and County of San Francisco. The purpose of and need for the proposed action is to dispose of surplus federal property at Hunters Point Shipyard which was closed in accordance with the Defense Base Closure and Realignment for subsequent reuse.

For the SEIS, two alternatives will be considered as part of the disposal and reuse action: Stadium Plan Alternative and Non-Stadium Plan Alternative. The Stadium Plan Alternative includes a mixed-use community comprising 2,500 new residential units, 125,000 square feet of retail space, 2,000,000 square feet of research and development (R&D) space, 250 acres of parks and recreational open space, and civic and community uses. A major component would be a new, 69,000-seat National Football League stadium for the San Francisco 49ers.

The Non-Stadium Plan Alternative would not include the stadium for the San Francisco 49ers, but instead would provide 5,000,000 square feet of R&D space, in addition to the other components noted under the Stadium Plan Alternatives for residential, retail, R&D, parks and recreation, and civic and community use space. Both action alternatives would be consistent with specificity of the Bayview Jobs, Parks and Housing Initiative (Proposition C), which was approved by San Francisco voters in June of 2008.

The SEIS will also consider a No Action Alternative. Environmental issues to be addressed in the SEIS include: transportation, traffic and circulation, air quality, noise, cultural resources, hazards and hazardous materials, land use compatibility and policy conformity, geology and soils, hydrology and water quality, biological resources, public services, utilities, population and housing, visual resources, and energy.

The Navy will initiate a scoping process for the purpose of determining the extent of issues to be addressed, and identifying significant issues related to the disposal and reuse of Hunters Point Shipyard. This process will include a public scoping meeting. Navy representatives will be available at the meeting to receive oral and written comments from the public regarding issues of concern. Both action alternatives would be consistent with specifications of the Bayview Jobs, Parks and Housing Initiative (Proposition G), which was approved by San Francisco voters in June of 2008.

The SEIS will also consider a No Action Alternative.

Environmental issue areas to be addressed in the SEIS include: transportation, traffic and circulation, air quality, noise, cultural resources, hazards and hazardous materials, land use compatibility and policy conformity, geology and soils, hydrology and water quality, biological resources, public services, utilities, population and housing, visual resources, and energy.

The Navy will initiate a scoping process for the purpose of determining the extent of issues to be addressed through oral and written comments, and identifying significant issues related to the disposal and reuse of Hunters Point Shipyard.
