

Be a part of your children's lives.

**Love them.
Help them with child support.**

Experts confirm that the presence of both parents in a child's life is vital for the child's happiness and well-being. Ask your own children.

The Office of Child Support Enforcement will help you by ensuring that child support payments are fair. Your information will be treated confidentially.

Visit the Office of Child Support Enforcement nearest you or call

**Our children.
Our responsibility.**
