MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Nonreimbursement for Postage

1. The Assistant Deputy Under Secretary of Defense (Transportation Policy) has revised the policy regarding nonreimbursement for postage contained in their 4 October 1993 memorandum. The new policy is as follows: Current legislation, the Administration's fiscal policies, and declining budgets dictate that the successful decentralized budgeting and payment policy for postage, which has substantially reduced official mail postage costs over the past four years, be extended to those tenant activities currently receiving official mail support on a nonreimbursable basis. Accordingly, DoD 4525.8-M, "DoD Official Mail Manual," Chapter 2, paragraph B.12, dated July 30, 1987, concerning nonreimbursement for postage is rescinded effective 1 October 1994, for Defense Business Operations Fund (DBOF) activities in accordance with the total cost policy. It is rescinded effective 1 October 1995 for appropriated fund and all other organizations. Until these dates, the existing policy in DoD 4525.8-M has precedence over DoD Instruction 4000.19, Enclosure 2, paragraph B.1. Affected DoD Components and tenant activities should begin budgetary actions now to pay for their official mail support commencing with the above dates.

2. Please publicize this policy revision within your Component.
