

Private Remote Sensing License: Public Summary

On 4 May 2012, the Commercial Remote Sensing Regulatory Affairs Office of the National Oceanic and Atmospheric Administration, an agency of the Department of Commerce, granted a license to Cosmogia Inc. to operate a private, commercial, space-based, remote sensing system named "Dove 2." Dove 2 is licensed to collect images of the Earth and will undertake a short-duration experimental mission in a 290 km by 575 km orbit at an inclination of 64.9 degrees.
