

# NCIS SPECIAL AGENT CREED

*Dignity - Determination - Distinction*

I am an NCIS Special Agent. My duty is to serve and protect the United States and our Navy and Marine Corps across global boundaries. As a criminal investigator, I vigorously pursue the truth and remain objective at all times. I recognize my badge is a symbol of authority and public trust. I will live my life above reproach, understanding my actions reflect upon my fellow Special Agents and our agency. Like those who came before me, I am always mindful that professionalism, integrity and honor are the very foundation of the NCIS.
