

2013 International Conference on Nuclear Data for Science & Technology

www.bnl.gov/nd2013

Third Circular November 29th, 2012

Greetings!

The main purpose of this circular is to inform you that we are now collecting the registration fee for ND2013. The registration fee is \$700 until January 31st 2013 and \$850 afterwards.

A reduced registration fee of \$350 is available to graduate students, post-docs, IAEA-sponsored participants and participants making presentations in the Nuclear Physics Education session.

Payment of the registration fee can be made online with a major credit card or by bank transfer. The payment must be made in US Dollars. To complete your payment please visit the conference web site, www.bnl.gov/nd2013/

The registration fee covers the costs of the meeting participation including a copy of the conference proceedings, meeting rooms, coffee breaks, evening poster sessions and the welcome reception.

A conference dinner will be held on Tuesday, March 5th. We anticipate the cost will be approximately \$75 per person. Tickets to the dinner will be made available at a later date.

A block of 300 rooms has been reserved at the Sheraton New York at the government rate. All reservations must be made individually through the Hotel's Reservation Department by calling +1 212 581 1000. To obtain the conference rate you must mention the ND2013 conference and make your reservation prior to Feb. 10th, 2013.

We were hoping to offer optional tickets to evening performances such as a Broadway show. Unfortunately, we will not be able to coordinate such excursions. There is a wide variety of entertainment, shopping, and cultural activities available in New York City. We will provide a list of popular attractions on the conference website.

We are finalizing the conference program and it looks very exciting. We will be distributing a copy of it in the very near future.
