## Sophomore Course Selection 2012-2013

You will be selecting the courses you would like to take for the 2012-2013 school year. Mark the box with an "X" if it is your primary choice. Mark the box with an "A" if you would like that course to be an alternate course, in the event you are unable to be assigned to all your primary choice courses. You must select at least five alternates. In column 9 check off the boxes if you received credit for your required courses last year during each given semester.
