WATCH.REPORT.PROTECT.

The first step is knowing what to look for.

Always keep an Eagle Eye out for these suspicious behaviors:

>> **Surveillance.**

Someone recording or monitoring activities, including the use of cameras (both still and video), note taking, drawing diagrams, writing on maps, or using binoculars or any other vision-enhancing device.

>> **Elicitation.**

Anyone or any organization attempting to gain information by mail, fax, telephone, or in person about military operations or people.

>> **Tests of Security.**

Any attempts to measure reaction times to security breaches or to penetrate physical security barriers or procedures.

>> **Acquiring Supplies.**

Purchasing or stealing explosives, weapons, ammunition, uniforms, decals, flight manuals, passes or badges (or the equipment to manufacture them), or any other controlled items.

>> **Suspicious Persons Out of Place.**

People who don't seem to belong in the workplace, neighborhood, business establishment, or anywhere else. This also includes suspicious border crossings, stowaways aboard ship, or people jumping ship in port.

>> **Dry Run.**

Putting people into position and moving them about without actually committing a terrorist act such as a kidnapping or bombing. An element of this activity could also include mapping out routes and determining the timing of traffic lights and flow.

>> **Deploying Assets.**

People and supplies getting into position to commit the act. This is the last opportunity to alert authorities before the terrorism occurs.
