In addition, bidders are encouraged to use this forum to present specific recommendations for improving the operational components of the auctions process. Among the general topics to be discussed are information dissemination, application processing and payment, and the overall conduct of the auctions. Key FCC staff will be available to answer questions.

The post-auction forum will be held on Tuesday, July 27, 1999 from 1 p.m. to 3 p.m. at the Federal Communications Commission, Commission Meeting Room, 445 12th Street, S.W., Washington, D.C. 20554.
