

Kāhuli - Oʻahu Tree Snail (Achatinella mustelina)

Hesperomannia arbusci

Hawaiian Violet (Viola chamissoniana ssp. chamissoniana)

Ma'o Hau Hele - Hawai'i State Flower (Hibiscus brackenridgei ssp. mokuleianus)

Oʻahu Elepaio (Chasiempis

O`AHU'S RARE NATURAL RESOURCES Many of Hawai'i's native ecosystems are found **nowhere else in the world**; almost **80%** of the endangered plants and animals living in these fragile ecosystems are found on Army Training lands.

MALAMA 'AINA HELP PROTECT THE LAND

Volunteers have logged hundreds of hours helping to protect Oʻahu's unique natural resources on Army land!

For volunteer opportunities with the O'ahu Army Natural Resource Program, please contact one of our Environmental Outreach Specialists at: (808)656-7641

O'AHU ARMY NATURAL RESOURCE PROGRAM

US ARMY GARRISON HAWAI'I

DID YOU KNOW?

The U.S. Army helps protect more than 80 different endangered species on O'ahu.

The U.S. Army spends more than \$6 million per year protecting O'ahu's endangered species.

Kāhuli (Achatinella sowerbyana)

THREATS TO O'AHU'S NATURAL RESOURCES

NURSERIES ARE HOME TO 53 **ENDANGERED PLANT SPECIES -**SOME ARE PLANTED BACK INTO

tored to track their health, collect seeds

for propagation, and to control threats.

• OANRP works with the community by

coordinating dozens of volunteer service trips

each year. OANRP also regularly hosts the Hawai'i Youth Conservation Corps, interns, and

school groups. Staff develop presentations

THE WILD, **OTHERS ARE CARED FOR** AS LIVING COLLECTIONS. Army natural resource staff control weeds on more than 55.000 acres of land each year.

Feral pigs and goats are managed by fence construction and hunting.

ON O'AHU. THE OANRP CURRENTLY PROTECTS **MORE THAN 1400 ACRES OF NATIVE HABITAT** WITH FENCES.

OANRP staff protect native birds and snails by surveying, monitoring, and

controlling predators, such as rats. that threaten their survival.

Polynesian

Rosy Wolf Snail

Clidemia hirta

himbleberry

Strawberry guava

and displays to teach about the importance of conserving Oʻahu's endangered resources.
