

In accordance with AETC/A7K Informational Guidance (dated 16 June 2011), AFFARS 5315.4 Contract Pricing, and FAR 15.404-1 Proposal Analysis Techniques the preparer of the independent government estimate should answer the following question:

- (1) How was the IGE was developed?
- (2) What assumptions where made?
- (3) What information and estimating tools were used?
- (4) Where was the information was obtained?
- (5) How did previous estimates compare with prices paid?
