The short white mink jacket - designed by RITTER BROS. - BEN THYLAN- which the First Lady will be wearing to the Inaugural Balls emphasizes the small look Mrs. Nixon is so fond of: Just-above-the-waist length; horizontal bands of Emba Jasmin white mink skimming the body; wristlength, narrow long sleeves; a smallish Peter Pan collar softly framing Pat Nixon's pretty face.

The First Lady's short white (Emba Jasmin) mink jacket - which she wore to the Concert at the Kennedy Center for the Performing Arts on the Friday prior to the Inauguration - was specially designed for her by RITTER BROS. - BEN THYLAN.
