

## ***Medical School Application Schedule for Admission in August 2014***

January 23, 2013:	WORKSHOP: <i>Choosing and Applying to Medical School</i>
February, 2013	Contact undergraduate institution's pre-professional advising office to determine policies for interviews, assembling letters of recommendation, etc.
March 5, 2013	WORKSHOP: <i>Writing Your Personal Statement</i>
March – April	Contact references; be certain to ask, not only if the individual will write a letter for you, but also if the letter will be positive
March – May	Take MCAT leaving enough time to schedule re-test if necessary; use score to construct list of potential schools
May 1	AMCAS opens; begin to fill in data
May 1	WORKSHOP: <i>Tips on Filling out Your AMCAS</i>
May – early June	Review final draft of personal statement, AMCAS form, and list of schools with Dr. Higgins
June 1 – 15	Submit AMCAS
June 15	WORKSHOP: Medical School Overview for Summer Interns
July 17	Attend <b>NIH Graduate &amp; Professional School Fair</b>

Please note that all workshops will be held on the main NIH campus in Bethesda
