Food Aid and Humanitarian Assistance

Project Name: Protracted Relief and Recovery Operation

Implementer(s): World Food Program

Duration: 2008 –2013

Overview: Decrease the number of persistently poor requiring food or cash assistance. Provide emergency food distribution and food for work for food-insecure communities. Prevent nutritional deterioration for children under 5 and pregnant and lactating women.

Project Name: Productive Safety Net Program (PSNP)

Implementer(s): CARE, Catholic Relief Services, Food for the Hungry, Relief Society of Tigray (REST), Save the Children US & UK

Duration: 2005 – 2015

Overview: Respond to food-gap of Ethiopia's chronically food insecure households and develop long-term solutions to household food insecurity.

Project Name: Water, Sanitation and Hygiene in Oromia Region

Implementer(s): Life Water International

Duration: 2009 –2012

Overview: Improve health status, education attainment, and gender equity among at risk population through the provision of sustainably increased access to safe drinking water and improved health through effective sanitation & hygiene practices.

Project Name: Long Term Joint Emergency Operational Plan (JEOP)

Implementer(s): Catholic Relief Services

Duration: 2008 – 2012

Overview: Assist the Government of Ethiopia to strengthen and enhance rural land tenure security and administration.

Project Name: Catholic Services Development Assistance Program (DAP)

Implementer(s): Catholic Relief Services

Duration: 2002 – 2012

Overview: Build the institutional capacity of to train postgraduate professionals in the field of disaster risk management and sustainable development, and establish a sustainable regional

center for disaster management research.

Project Name: Agricultural Growth Program – Value Chain Expansion (AGP – VCE)

Implementer(s): ACDI/VOCA

Duration: 2011 – 2016

Overview: Sustainably reduce poverty and hunger by improving the productivity and competitiveness of value chains that offer job and income opportunities for rural households.

Project Name: Strengthening Land Administration Program (ELAP)

Implementer(s): Associates in Rural Development Inc. (ARD)

Duration: 2011 – 2013

Overview: Assist the Government of Ethiopia to strengthen and enhance rural land tenure security and administration.

Business, Environment, Agriculture and Trade

Project Name: Pastoralists Livelihood Initiative (PLI) Phase II

Implementer(s): Save the Children US

Duration: 2005 – 2013

Overview: Protect and strengthen the lives and livelihoods of pastoralists and ex-pastoralists.

Project Name: Strengthening Land Administration

Implementer(s): Associates in Rural Development Inc.

Duration: 2008 –2013

Overview: Help the Government of Ethiopia strengthen and enhance rural land tenure security and administration.

Project Name: Pastoral Livelihoods Initiative Policy

Implementer(s): Tufts University

Duration: 2005 –2013

Overview: Ensure technical co-ordination of PLI activities, and systematic monitoring, impact assessment and research to inform policy development and best-practice guidelines in the area of livestock developmental-relief in pastoralist regions. Institutionalize best practice development-relief interventions.

Project Name: Ethiopian Sustainable Tourism Alliance (ESTA)

Implementer(s): Academy for Educational Development

Duration: 2008 –2013

Overview: Enhance biodiversity conservation and economic development through sustainable tourism products, services and other opportunities throughout destination regions of the country. (As PEPFAR recipient, a secondary priority mainstreams HIV/ AIDS prevention and awareness in tourism value chain.)

Project Name: Partnership for Capacity Building in Disaster Management

Implementer(s): USDA/US Forest Service

Duration: 2008 – 2013

Overview: Provide support to the Government of Ethiopia Disaster Risk Management and Food Security Sector (DRMFSS) to improve its capacity to anticipate and manage shocks and disasters in a timely manner.

Democracy and Governance

Project Name: Strengthening Institutions for Peace and Development (SIPED)

Implementer(s): Mercy Corps

Duration: 2004 –2012

Overview: Build effective and sustainable government-civil society conflict management capacity and partnerships at regional and local levels. Reduce local tensions and violence; Promote inclusive conflict sensitive humanitarian responses and development planning.

Project Name: Ethiopia City Links Program

Implementer(s): The International City/County Management Association

Duration: 2005 –2012

Overview: Enhance good governance and effective citizen participation by improving government planning and improving management of service delivery and economic growth projects.

Project Name: Human Rights and Advocacy Training

Implementer(s): Justice for All & Prison Fellowship Ethiopia

Duration: September 2007 –2012

Overview: Deter human rights abuses by training court and police officials in human rights law and administrative regulations and by general and case-specific advocacy.

Basic Education Services

Project Name: Community School Partnership Program (CSPP)

Implementer(s): Save the Children US

Overview: To enhance quality and equity of primary education in target schools through capacity building of teachers and communities in designing, implementation and management of education and health services at school level.

Project Name: Transforming Education for Adults and Children in the Hinterlands (TEACH II)

Implementer(s): Pact

Duration: 2009 –2013

Overview: To increase access to education for children and adults in disadvantaged areas and to improve the capacity of woreda education offices (WEO) to manage non-formal education.

Project Name: Teacher Development in Primary Education Strengthened

Implementer(s): IFESH

Duration: 2002 –2012

Overview: Provide technical assistance to improve the quality of teacher training through building the capacity of teacher educators in teacher training institutions, the Ministry of Education and universities.

Project Name: Fre-Addis Girl's Scholarship Program

Implementer(s): Fre-Addis Ethiopia

Duration: 2010 –2014

Overview: To help 1022 female high school students in 196 weredas who demonstrated strong academic performance and successfully completed grade eight, but are in need of assistance to complete secondary education by granting them scholarship money.

Project Name: Improving the Teaching of English Language in Ethiopia (ITELE)

Implementer(s): US Peace Corps

Duration: 2011 –2015

Overview: Enhance the proficiency of English language reading and writing and the programs of English education and training in the colleges of teacher education and primary schools in Ethiopia.

Health, AIDS, Population and Nutrition

Project Name: Contraceptive Commodity

Procurement

Implementer(s): Central Contraceptive

Procurement

Duration: 2005 –2012

Overview: To ensure access to and availability of modern contraceptives through the procurement of contraceptives for the (IFHP) Integrated Family Health Program service delivery network in public health facilities.

Project Name: Integrated Family Health Program (IFHP)

Implementer(s): Pathfinder International

Duration: 2008 –2013

Overview: Improve family health by strengthening and promoting increased use of high impact family planning, maternal, new born and child health practices, products and services

Project Name: Integrated Community Based Water Supply Sanitation and Hygiene WASH

Implementer(s): Save the Children US

Duration: 2009 - 2012

Overview: Improved access to sustainable, safe and adequate water supply ; increased access to improved sanitation; Increased health and hygiene promotion ; and increased community and government capacity to manage WASH activities, and improve systematic program learning to inform policy and program implementation

Project Name: Anti-malaria Drug Management (AMDM)

Implementer(s): Management Sciences for Health

Duration: 2008 –2012

Overview: Provide technical strategic, managerial and operational support to implement and

strengthen anti-malaria drug management activities

Project Name: Anti-Malaria Drug Quality Control in Ethiopia

Implementer(s): United States Pharmacopeia

Duration: 2008 –2012

Overview: Provide pediatric HIV care and treatment training for health care service providers. Provide clinical mentorship for pediatric HIV care, treatment and psychosocial care and counseling. Develop and produce additional job aides and resource materials. Increase uptake of pediatric HIV/AIDS services.

Project Name: Communication for Change (C-Change)

Implementer(s): FHI 360

Duration: 2008 –2012

Overview: Lead and coordinate national malaria stakeholders in developing essential malaria actions.

Project Name: Consolidating Malaria Reduction Interventions in Oromia Region of Ethiopia

Implementer(s): UNICEF

Duration: July 2008 – September 2012

Overview: To procure and distribute long-lasting insecticidal nets (LLINs) to households in Oromia. And to procure and distribute artemetherlumefantrine combination therapy (ACT) dosages to health facilities in Oromia.

Project Name: Improving Malaria Diagnostics (IMaD)

Implementer(s): Medical Care Development International

Duration: 2008 – 2012

Overview: Assess laboratories' needs. Review and modify for development laboratory diagnosis policy guidelines and training materials. Provide technical assistance in the design, piloting, and establishment of a QA/QC system for malaria laboratory diagnosis.

Project Name: Indoor Residual Spraying for Malaria Control

Implementer(s): Research Triangle Institute International

Duration: 2008 –2012

Overview: Lower the malaria incidence and reduce the frequency of malaria epidemics therefore reducing malaria-associated morbidity and mortality within Oromia

Project Name: Malaria Communities Program

Implementer(s): Fayaa Integrated Development Association

Duration: 2008 –2012

Overview: Improve community awareness for their enhanced uptake and involvement in prevention and control measures. Ensure high quality diagnosis and treatment services at private clinics. Build the capacity of CBOs, FBOs and Community Health Committee regarding transmission, prevention, early diagnosis and treatment.

Project Name: Monitoring and Evaluation Activities for Malaria Prevention and Control in Ethiopia (MEASURE III)

Implementer(s): University of North Carolina

Duration: 2009 – 2013

Overview: Provide technical assistance to Ethiopian scientists and health professionals in support of monitoring and evaluation (M&E) of malaria prevention and control activities supported by the US Government.

Project Name: Malaria Laboratory Diagnosis and Monitoring

Implementer(s): Columbia University **Duration:** 2009 –2013

Overview: Provide technical, strategic, managerial and operational support to implement and strengthen malaria laboratory diagnosis activities in Ethiopia, thereby contributing to PMI's goal of achieving a 70% reduction in malaria-associated mortality by 2013.

Project Name: Private Health Sector Program

Implementer(s): Abt Associates Inc.

Duration: 2009 –2014

Overview: Improve access, affordability, and quality of public health services in the private sector.

Project Name: Strengthening Pediatric Case Finding Utilizing Community Facility Approaches

Implementer(s): African Network for Care of Children Affected by HIV/AIDS

Duration: 2008 –2012

Overview: Provide pediatric HIV care and treatment training for health care service providers. Provide clinical mentorship for pediatric HIV care, treatment and psychosocial care and counseling. Develop and produce additional job aides and resource materials. Increase uptake of pediatric HIV/AIDS services.

Project Name: Assistance to Health System Expansion Project

Implementer(s): Chemonics

Duration: 2009 –2012

Overview: The objective is mainly to build the capacity of the regions in planning, procurement, design, maintenance, and construction of health facilities.

Project Name: Urban Gardens Program

Implementer(s): Development Alternatives Inc.

Duration: 2008 –2012

Overview: Improve the nutritional status and income of vulnerable households affected by HIV/AIDS and offer income alternatives for those impacted by HIV/AIDS.

Project Name: Community Maternal and Child Health and Prevention of Mother to Child Transmission (PMTCT)

Implementer(s): IntraHealth

Duration: 2004 –2014

Overview: Define the parameters and objectives for a new PMTCT program to improve the uptake and quality of HIV and Maternal Child Health (MCH) services for pregnant women in Ethiopia through community-based approaches; Follow-up HIV exposed babies and HIV positive mothers to ensure they receive appropriate care and treatment.

Project Name: Urban Health Extension Program

Implementer(s): John Snow Inc

Duration: 2009 –2012

Overview: Support at scale the implementation and monitoring of the Government of Ethiopia's Urban Health Extension Program and improve access to and demand for health services.

Project Name: AIDSTAR-One Making Medical Injections Safer

Implementer(s): John Snow Inc

Duration: 2009 –2012

Overview: Change behaviors among health workers handling sharp objects and medical waste. Ensure supply management. Improve health care waste management.

Project Name: Strengthening Community's Responses to HIV/AIDS

Implementer(s): Program for Appropriate Technology in Health (PATH)

Duration: 2009 –2012

Overview: Improve Ethiopian communities' abilities to respond to the HIV/AIDS epidemic by strengthening their capacities to deliver integrated community HIV/AIDS services, including basic and advanced care and support, HIV counseling and testing (HCT), adherence monitoring and defaulter tracing, social support, and asset building/economic strengthening.

Project Name: Preventing New HIV Infections Among at Risk Populations (TransAction)

Implementer(s): Save the Children

Duration: 2009 –2014

Overview: The TransACTION strategic objective is aimed at preventing new HIV infections among at risk populations and strengthening linkages to care and support services in towns and commercial hotspots along or linked with major transportation corridors.

Project Name: Urban HIV/AIDS Food and Nutrition Assistance

Implementer(s): World Food Program

Duration: February 2008 –2016

Overview: Improve the nutritional status and quality of life of food-insecure people living with HIV/AIDS who are receiving home based care, ART or PMTCT. Increase school enrollment and attendance of OVC in HIV/AIDS affected urban communities.

Project Name: Grants Solicitation and Management

Implementer(s): World Learning for International Development (FS)

Duration: September 2008 – September 2016

Overview: Build the capacity of selected CBOs involved in HIV prevention and care activities in

high prevalence areas focusing on most-at-risk populations.

Project Name: Maternal Child Health Integrated Program (MCHIP)

Implementer(s): JHPIEGO Corporation **Duration:** 2010 –2013

Overview: To curb maternal, neonatal and child morbidity and mortality in Ethiopia.

Project Name: Program Research for Strengthening Services (PROGRESS)

Implementer(s): Family Health International

Duration: 2009 –2012

Overview: Increase access to and utilization of long-acting and permanent family planning methods.

Project Name: Support for International Family Planning (SIFPO) – MSI

Implementer(s): Marie Stopes International

Duration: 2011 –2013

Overview: Increase access to and utilization of long-acting and permanent family planning methods.

Project Name: Help Ethiopia Address Low TB (HEAL TB)

Implementer(s): Management Sciences for Health

Duration: 2011 –2016

Overview: Assist local health offices in prevention and control of TB to reduce mortality and morbidity due to TB.

Project Name: Orphans and Vulnerable Children (OVC) Program

Implementer(s): Pact

Duration: 2011 – 2016

Overview: Reduce vulnerability among orphans and vulnerable children and their families by strengthening systems and structures to deliver quality essential services and increase resiliency.

Project Name: Strengthening the Federal Level Response to Highly Vulnerable Ethiopian Children through the Development of a Child-Focused Social Welfare System

Implementer(s): UNICEF

Duration: 2011 – 2012

Overview: To mitigate the impact of HIV/AIDS on children through improved Ethiopian systems and structures.

Project Name: Food by Prescription

Implementer(s): Save the Children US

Duration: 2009 –2012

Overview: Ensure improved nutrition clinical and functional outcomes among HIV+ individuals, pregnant and postpartum women, and orphans and vulnerable children (OVC) in Ethiopia.

Project Name: Sustaining Malaria Reduction Interventions in Oromia Region of Ethiopia

Implementer(s): Management Sciences for Health

Duration: 2008 –2012

Overview: Increase access to effective diagnostic tests and medicines to manage malaria cases and promote household ownership and proper use of insecticide-treated bed nets.

Project Name: Malaria Operational Research in Ethiopia (MORE)

Implementer(s): Malaria Consortium

Duration: 2008 –2013

Overview: Provide operational research support for malaria prevention and control efforts in Ethiopia.

Project Name: Health Infrastructure Program (HIP)

Implementer(s): International Relief and Development and Tetra Tech, Inc.

Duration: 2008 –2013

Overview: Design and construct Government of Ethiopia standard health centers and regional warehouses, and renovate health centers experiencing serious infrastructure problems in facilities with high antiretroviral therapy patient loads and in areas of high HIV prevalence.

Project Name: Pastoralists Areas Water, Sanitation and Hygiene (WASH) Project

Implementer(s): International Rescue Committee (IRC)

Duration: 2011 –2013

Overview: Improved access to clean and sustainable water sources for target communities in the Somali, Afar and Oromia Regions.

Project Name: Empowering New Generations in Improved Nutrition and Economic opportunities (ENGINE)

Implementer(s): Save the Children US

Duration: 2011 –2016

Overview: Improve the nutritional status of women and young children through sustainable, comprehensive, and coordinated evidence-based interventions.
