No of Woreda	77 woredas
President	Shiferaw Shigute (March 2006 – Present)

Food Aid and Humanitarian Assistance

Project Name: Protracted Relief and Recovery Operation

Implementer(s): World Food Program

Duration: 2008 –2011

Overview: Decrease the number of persistently poor requiring food or cash assistance. Provide emergency food distribution and food for work for food-insecure communities. Prevent nutritional deterioration for children under 5 and pregnant and lactating women.

Project Name: Productive Safety Net Program (PSNP)

Implementer(s): CARE, Catholic Relief Services, Food for the Hungry, Relief Society of Tigray (REST), Save the Children US & UK

Duration: 2005 – 2015

Overview: Respond to food-gap of Ethiopia's chronically food insecure households and develop long-term solutions to household food insecurity.

Project Name: Long Term Joint Emergency Operational Plan (JEOP)

Implementer(s): Catholic Relief Services

Duration: 2008 – 2012

Overview: Assist the Government of Ethiopia to strengthen and enhance rural land tenure security and administration.

Project Name: WE CARE – Women of Ethiopia Community Advancement for Recovery and Empowerment Program

Implementer(s): Heartland Alliance for Human Needs and Human Rights

Duration: 2009 - 2012

Overview: Incorporate sector assessment/selection and enterprise development components into the Productive Safety Net Program. Operational Research is ongoing.

Project Name: Exploiting the Potential of Potato & Sweet potato to Reduce Food Insecurity & Dependence on Cereals-International Potato Center

Implementer(s): International Potato Center (CIP)

Duration: 2009 - 2013

Overview: To equip People with Disabilities (PWD) with the necessary skills, knowledge and tools to increase their income and employability and to promote civil society through activities and events aimed at raising awareness among employers, the public and PWDs themselves, on PWDs abilities.

Project Name: Catholic Services Development Assistance Program (DAP)

Implementer(s): Catholic Relief Services

Duration: 2002 – 2012

Overview: Build the institutional capacity to train postgraduate professionals in the field of disaster risk management and sustainable development, and establish a sustainable regional center for disaster management research.

Business, Environment, Agriculture and Trade

Project Name: Strengthening Land Administration Program (ELAP)

Implementer(s): Associates in Rural Development Inc.

Duration: 2008 –2013

Overview: Assist the Government of Ethiopia to strengthen and enhance rural land tenure security and administration.

Project Name: Ethiopian Sustainable Tourism Alliance (ESTA)

Implementer(s): Academy for Educational Development

Duration: 2008 –2013

Overview: Enhance biodiversity conservation and economic development through sustainable tourism products, services and other opportunities throughout destination regions of the country.

Democracy and Governance

Project Name: Strengthening Institutions for Peace and Development (SIPED)

Implementer(s): Mercy Corps

Duration: 2004 –2012

Overview: Build effective and sustainable government-civil society conflict management capacity and partnerships at regional and local levels. Reduce local tensions and violence; Promote inclusive conflict sensitive humanitarian responses and development planning.

Project Name: Constructive Dialogue Initiative (CDI)

Implementer(s): Pact

Duration: 2005 –2012

Overview: Increase the effectiveness of conflict management policies and practices by emphasizing government-civil society.

Basic Education Services

Project Name: Community School Partnership Program (CSPP)

Implementer(s): Save the Children US

Duration: 2008 –2012

Overview: To enhance quality and equity of primary education in target schools through capacity building of teachers and communities in designing, implementation and management of education and health services at school level.

Project Name: Transforming Education for Adults and Children in the Hinterlands (TEACH II)

Implementer(s): Pact

Duration: 2009 –2013

Overview: To increase access to education for children and adults in disadvantaged areas and to improve the capacity of woreda education offices (WEO) to manage non-formal education.

Project Name: Teacher Development in Primary Education Strengthened

Implementer(s): IFESH

Duration: 2002 –2012

Overview: Provide technical assistance to improve the quality of teacher training through building the capacity of teacher educators in teacher training institutions, the Ministry of Education and universities.

Project Name: Improving the Teaching of English Language in Ethiopia (ITELE)

Implementer(s): US Peace Corps

Duration: 2011 –2015

Overview: Enhance the proficiency of English language reading and writing and the programs of English education and training in the colleges of teacher education and primary schools in Ethiopia.

Project Name: Sustainable Water Resources: Capacity Building in Education, Research and Outreach

Implementer(s): American Council on Education (ACE)/Higher Education for Development (HED)

Duration: 2010 – 2013

Overview: Build the capacity in graduate-level education, research, community outreach, and institutional development in sustainable water resource management in Ethiopia.

Health, AIDS, Population and Nutrition

Project Name: Grant Solicitation and Management

Implementer(s): World Learning for International Development (FS)

Duration: 2004 –2012

Overview: Ensure the goals are met under each awarded grant while simultaneously assuring the growth and development of grantee organizations

Project Name: Strengthening Pediatric Case Finding Utilizing Community and Facility Approaches

Implementer(s): African Network for Care of Children Affected by HIV/AIDS - ANECCA

Duration: 2008- 2012

Overview: Provide pediatric HIV care and treatment training for health care service providers. Provide clinical mentorship for pediatric HIV care, treatment and psychosocial care and counseling. Develop and produce additional job aides and resource materials. Increase uptake of pediatric HIV/AIDS services.

Project Name: Fistula Treatment and Prevention

Implementer(s): Hamlin Fistula Ethiopia

Duration: 2006 –2012

Overview: Increase access to fistula treatment and care. Also prevent occurrences of fistula cases.

Project Name: Urban Gardens Program

Implementer(s): Development Alternatives Inc.

Duration: 2008 –2012

Overview: Improve the nutritional status and income of vulnerable households affected by HIV/AIDS and offer income alternatives for those impacted by HIV/AIDS.

Project Name: Community PMTCT

Implementer(s): Intra Health

Duration: 2009 –2014

Overview: Define the parameters and objectives for a new PMTCT program to improve the uptake and quality of HIV and Maternal Child Health (MCH) services for pregnant women in Ethiopia through community-based approaches; Follow-up HIV exposed babies and HIV positive mothers to ensure they receive appropriate care and treatment.

Project Name: Technical Service for Monitoring Services

Implementer(s): Bethzatha Health Service PLC

Duration: 2008 –2014

Overview: Develop a standard monitoring tool. Conduct structured monitoring visits to USAID supported health centers. Analyze and present monitoring data to USAID.

Project Name: Private Health Sector Program

Implementer(s): Abt Association

Duration: 2009 –2014

Overview: Improve access, affordability, and quality of public health services in the private sector.

Project Name: Urban HIV/AIDS Food and Nutrition Assistance

Implementer(s): World Food Program

Duration: 2008 - 2016

Overview: Improve the nutritional status and quality of life of food-insecure people living with HIV/AIDS who are receiving home based care, ART or PMTCT. Increase school enrollment and attendance of OVC in HIV/AIDS affected urban communities.

Project Name: Targeted HIV Prevention Program

Implementer(s): Population Services International

Duration: 2008 –2012

Overview: Support targeted condom promotion services and increase condom availability to most at risk populations in major urban areas, transportation corridors and other epidemiological hotspots.

Project Name: Urban Health Extension Program

Implementer(s): John Snow Inc.

Duration: 2009 –2012

Overview: Support at scale the implementation and monitoring of the Government of Ethiopia's Urban Health Extension Program and improve access to and demand for health services.

Project Name: CORE Group Partners Project

Implementer(s): Core Group

Duration: 2008- 2012

Overview: To support the eradication of polio from Ethiopia (campaigns and surveillance activities) through community mobilization and participation

Project Name: Assistance to Health System Expansion Project

Implementer(s): Chemonics

Duration: 2009 –2012

Overview: The objective is mainly to build the capacity of the regions in planning, procurement, design, maintenance, and construction of health facilities.

Project Name: AIDSTAR-One (Making Medical Injections Sager)

Implementer(s): John Snow Inc.

Duration: 2009- 2012

Overview: Change behaviors among health workers handling sharp objects and medical waste. Ensure supply management. Improve health care waste management.

Project Name: Strengthening Community's Responses to HIV/AIDS

Implementer(s): Program for Appropriate Technology in Health (PATH)

Duration: 2009- 2012

Overview: Improve Ethiopian communities' abilities to respond to the HIV/AIDS epidemic by strengthening their capacities to deliver integrated community HIV/AIDS services, including basic and advanced care and support, HIV counseling and testing (HCT), adherence monitoring and defaulter tracing, social support, and asset building/economic strengthening.

Project Name: Integrated Family Health Program (IFHP)

Implementer(s): Pathfinder International

Duration: 2008 –2013

Overview: Improve family health by strengthening and promoting increased use of high impact family

planning, maternal, new born and child health practices, products and services

Project Name: Water, Sanitation and Health (WASH)

Implementer(s): Save the Children USA

Duration: 2009 –2012

Overview: Improved access to sustainable, safe and adequate water supply; increased access to improved sanitation; Increased health and hygiene promotion; and increased community and government capacity to manage WASH activities, and improve systematic program learning to inform policy and program implementation

Project Name: Health Management Information System (HMIS) Support

Implementer(s): John Snow Inc

Duration: 2009 – 2013

Overview: Support the Ministry of Health in improving weak health information systems.

Project Name: Preventing Care for At Risk Mobile Populations (TranAction)

Implementer(s): Save the Children

Duration: April 2009 – April 2014

Overview: The TransACTION strategic objective is aimed at preventing new HIV infections among at risk populations and strengthening linkages to care and support services in towns and commercial hotspots along or linked with major transportation corridors

Project Name: Contraceptive Commodity Procurement

Implementer(s): Central Contraceptive Procurement

Duration: 2005 –2012

Overview: To ensure access to and availability of modern contraceptives through the procurement of contraceptives for the (IFHP) Integrated Family Health Program service delivery network in public health facilities.

Project Name: Maternal Child Health Integrated Program (MCHIP)

Implementer(s): JHPIEGO Corporation **Duration:** 2010–2013

Overview: To curb maternal, neonatal and child morbidity and mortality in Ethiopia.

Project Name: Program Research for Strengthening Services (PROGRESS)

Implementer(s): Family Health International **Duration:** 2009–2012

Overview: Increase access to and utilization of long-acting and permanent family planning methods.

Project Name: Orphans and Vulnerable Children (OVC) Program

Implementer(s): Pact

Duration: 2011–2016

Overview: Reduce vulnerability among orphans and vulnerable children and their families by strengthening systems and structures to deliver quality essential services and increase resiliency.

Project Name: Strengthening the Federal Level Response to Highly Vulnerable Ethiopian Children through the Development of a Child-Focused Social Welfare System

Implementer(s): UNICEF

Duration: 2011–2012

Overview: To mitigate the impact of HIV/AIDS on children through improved Ethiopian systems and structures.

Project Name: Food by Prescription

Implementer(s): Save the Children US

Duration: 2009–2012

Overview: Ensure improved nutrition clinical and functional outcomes among HIV+ individuals, pregnant and postpartum women, and orphans and vulnerable children (OVC) in Ethiopia.

Project Name: Empowering New Generations in Improved Nutrition and Economic opportunities (ENGINE)

Implementer(s): Save the Children US

Duration: 2011–2016

Overview: Improve the nutritional status of women and young children through sustainable, comprehensive, and coordinated evidence-based interventions.

Office of Disaster Assistance

Project Name: Market Led Livelihood Response Enhancement Program - MLREP

Implementer(s): Food for the Hungry

Duration: 2009–2012

Overview: To improve assets and livelihoods through increasing marketable agriculture production; to improve access to financial capital for asset protection and diversification
