

BASE MAINTENANCE DEPARTMENT
Utilities Division
Marine Corps Base
Camp Lejeune, North Carolina 28542

MAIN/BRW/rn
10 Mar 1976

From: Director, Utilities Division
To: All Operators WG-9, WG-8, WG-7

Subj: Handtools; requirements for

Ref: (a) BO 12594.2B
(b) CMMI

1. All personnel hired or promoted to journeymen are required to furnish the basic tools of their trade as required by references (a) and (b). Upon permanent assignment to these positions, employees will be given a list of tools required and will be expected to have a sufficient number to perform the common tasks of the trade. After initial assignment to the position, a period of forty-five days will be granted for operators to acquire the necessary tools. The Civilian Personnel Office will be supplied with copies of such lists.

2. Tools required for operators are:

- Sockets 3/8" to 1" $\frac{1}{2}$ " Drive (1 set)
- Open end wrenches 3/8" to 1" (1 set)
- Box end wrenches 3/8" to 1" (1 set)
- Channel lock pliers (1 ea)
- Wrench, adjustable 8" (1 ea)
- Wrench, adjustable 10" (1 ea)
- Set phillip screw drivers (1 ea)
- Set square screw drivers (1 ea)
- Allen wrenches 1/16" to $\frac{1}{4}$ " (1 set)
- Pipe wrench 12" (1 ea)
