Re: Notification of Asbestos
Removal, Bldg A5-232

Dear Mr. Wakild:

Asbestos fibers were discovered in Building A5-232. As indicated on the enclosure, removal of friable asbestos during renovation of Marine Corps facilities was scheduled for immediate accomplishment.

Per your request by letter of 18 October 1983, the Notices of Renovation Involving Asbestos Removal are forwarded. Protective measures to be followed are those prescribed in the Navy (OPNAV) Instruction 5100.23B, Navy Occupational Safety and Health (NAVOSH) Program Manual, dated 31 August 1983.

For further information on these notices, please contact Mr. Alexander at (919) 451-3034 or at the above address.

Sincerely,

T. J. DALZELL
Colonel, U. S. Marine Corps
Assistant Chief of Staff, Facilities

Re: Notification of Asbestos
Removal, Bldg 812

Dear Mr. Wakild:

Asbestos fibers were discovered in Building 812. As indicated on the enclosures, removal of friable asbestos during renovation of Marine Corps facilities was scheduled for immediate accomplishment.

Per your request by letter of 18 October 1983, the Notices of Renovation Involving Asbestos Removal are forwarded. Protective measures to be followed are those prescribed in the Navy (OPNAV) Instruction 5100.23B, Navy Occupational Safety and Health (NAVOSH) Program Manual, dated 31 August 1983.

For further information on these notices, please contact Mr. Alexander at (919) 451-3034 or at the above address.

Sincerely,

R. A. TIEBOUT
