1. This document is a Uniform Transfer Act Statement (UTAS) prepared in accordance with the Uniform Gifts to Minors Act (UGMA) and the Uniform Transfers to Minors Act (UTMA). It is intended to provide information to the recipient regarding the transfer of property.

2. The property being transferred is described as follows: [Description of Property]

3. The value of the property at the time of transfer is \$[Value].

4. The transfer is being made to the recipient for the benefit of the recipient's education and support.

5. The recipient is a minor, and the transfer is being made to the recipient's legal guardian, [Name], who is acting in the best interests of the recipient.

6. The transfer is being made pursuant to the provisions of the UGMA and UTMA, and is exempt from the gift tax under Section 2511(b) of the Internal Revenue Code.

7. The grantor, [Name], is the owner of the property and is making this transfer voluntarily and without consideration.

8. The recipient, [Name], is a minor and is not capable of entering into a contract.

9. The transfer is being made to the recipient for the benefit of the recipient's education and support, and is intended to be a final transfer.

10. The grantor, [Name], is the owner of the property and is making this transfer voluntarily and without consideration.

11. The recipient, [Name], is a minor and is not capable of entering into a contract.

12. The transfer is being made to the recipient for the benefit of the recipient's education and support, and is intended to be a final transfer.

| 16. GENERATOR'S CERTIFICATION: I hereby declare that the contents of this consignment are fully and accurately described above by proper shipping name and are classified, packed, marked, and labeled, and are in all respects in proper condition for transport by highway according to applicable international and national government regulations. If I am a large quantity generator, I certify that I have a program in place to reduce the volume and toxicity of waste generated to the degree I have determined to be economically practicable and that I have selected the practicable method of treatment, storage, or disposal currently available to me which minimizes the present and future threat to human health and the environment; OR, if I am a small quantity generator, I have made a good faith effort to minimize my waste generation and select the best waste management method that is available to me and that I can afford. | | | | | |

Form with multiple sections, including a header with 'GENERAL INFORMATION', a large central table with columns for 'DATE', 'DESCRIPTION', and 'AMOUNT', and a footer section with 'TOTAL' and 'REMARKS'. The text is extremely faint and difficult to read.

GENERAL INFORMATION

Section containing various fields and text, possibly related to account details or company information.

Main table with multiple columns and rows, containing data entries that are mostly illegible due to low contrast.

Section containing text and possibly a signature or date, located below the main table.

Final section of the form, likely containing a total amount and a concluding remark.
