

BASE MAINTENANCE DIVISION
Marine Corps Base
Camp Lejeune, North Carolina 28542

Date: 10 Sept 81

From: Base Maintenance Officer
To: A S of S Facilities

Subj: Lt Col. Fitz,

I promised Col Mallice a copy of this. I have already provided him a copy of an EPA Question and Answer booklet on THM testing.

If you would attach this to the Q + Answer booklet for his info on his return I would appreciate it.

Thanks
Mount
