**AGENCY:** U.S. International Trade Commission.

**ACTION:** Notice.

**SUMMARY:** Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination ("ID") (Order No. 18) issued by the presiding administrative law judge ("ALJ") granting Complainants' Motion for Summary Determination That The Importation Requirement Has Been Satisfied.

**SUPPLEMENTARY INFORMATION:** On June 29, 2006, this investigation was instituted based on a complaint filed by Samsung Telecommunications America, LLP and Samsung Electronics Co., Ltd. ("Samsung"). The complaint alleged violations of Section 337 of the Tariff Act of 1930 (19 U.S.C. § 1337) in the importation into the United States and the sale of certain wireless communications equipment, articles therein, and products containing the same by reason of infringement of certain claims of U.S. Patent Nos. 6,598,202; 6,882,636; 6,154,652; 6,920,331; 6,421,353; 6,920,602; and 6,928,604. The complaint named four respondents:

Ericsson, Inc.; Telefonaktiebolaget LM Ericsson; Sony Ericsson Mobile Communications AB; and Sony Ericsson Mobile Communications (USA) Inc.

On January 19, 2007, Complainants moved for summary determination (Motion Docket 577-21) that the importation requirement of Section 337 has been satisfied. Respondents opposed the motion on grounds that it made assertions beyond the simple facts of importation. The Office of Unfair Import Investigations filed a brief in support of the motion.

On February 22, 2007, the ALJ issued an ID granting Complainants' motion on the basis that Respondents admitted that each element required to show importation has been satisfied. No petitions for review were filed. The Commission has determined not to review this ID.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in section 210.42 of the Commission's Rules of Practice and Procedure (19 C.F.R. § 210.42).

By order of the Commission.
