ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined to review and reverse the presiding administrative law judge's ("ALJ's") initial determination ("ID") issued on October 31, 2002, extending the target date for completion of the above-captioned investigation from April 22, 2003, to January 4, 2004. The Commission has determined to review on its own motion, reverse the ID, and to extend the target date from April 22, 2003, to December 15, 2003.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on April 9, 2001, based on a complaint filed by Proxim, Inc. against 14 respondents. 66 *Fed. Reg.* 18507. The complaint alleges violations of section 337 of the Tariff Act of 1930 in the importation into the United States, sale for importation, and/or sale within the United States after importation of certain wireless network interface cards and access points for use in direct sequence spread spectrum wireless local area networks and products containing same by reason of infringement of certain U.S. patents owned by Proxim.

On October 31, 2002, the ALJ issued an ID (Order No. 94) extending the target date for completion of the investigation from April 22, 2003 to January 4, 2004. No petitions for review of the ID were filed.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in sections 210.44, 210.45(c), and 210.51 of the Commission's Rules of Practice and Procedure (19 C.F.R. §§ 210.44, 210.45(c), and 210.51).

By order of the Commission.
