PUBLIC NOTICE

The Philadelphia District of the Corps of Engineers requests that applicants for Department of the Army permits for work in waters of the United States provide in their permit application the following information:

- a. street address, lot and block number, latitude and longitude of the proposed project site;
- b. names and addresses of adjoining property owners, lessees, etc. to the proposed project site;
- c. mailing addresses of post office, city and county governments, and local newspapers in the vicinity of the proposed project site.

The more the applicant provides, the easier it is to understand and process an application. The above information is necessary in order to initiate processing of the permit application. Failure to provide the information will result in the withdrawal of the permit application without prejudice.
