Source: Studies reviewed for the Strengthening Families Evidence Review (see Study Search for full list).

AFDC = Aid to Families with Dependent Children; TANF = Temporary Assistance for Needy Families

^a Employment services include job-readiness or on-the-job training; job fairs; paid internships; and supports for employment, such as transportation.

^b Child-support services include modification of child-support orders, help with arrearages (for example, forgiveness of some debt), paternity-establishment support or information, and legal advice.

^c Programs listed in the “impact” category are the focus of at least one study that has a strong or moderate rating, according to Strengthening Families Evidence Review standards (see Review Process for more details).

^d Programs listed in the “implementation” category are the focus of at least one study that does not have participant outcomes and is unrated, according to Strengthening Families Evidence Review standards (see Review Process for more details).

^e Programs listed in the “descriptive” category are the focus of at least one study that has a low rating, according to Strengthening Families Evidence Review standards (see Review Process for more details).
