Under the Joint Federal Travel Regulations see U5462-U5479 for members to use a commercial storage facility.

Stop worrying about heat and sun damage, hurricanes, snow, dead batteries, frozen locks, or flat tires.

Save 70-80% off Insurance While POV is in Storage.

While at our facility your Vehicle receives the following.

- Online vehicle monitoring.
- All vehicles have a car cover and are stored inside.
- Vehicles will be washed at the storage site prior to being placed into storage.
- Fuel stabilizer added as required.
- Vehicles started every 15 days - cycle air conditioning and heat.
- Vehicles moved every 15 days to prevent flat spots on tires.
- Secure building with only our personnel allowed in building.
