

# Effective Health Care

## Reproductive Health

### Nomination Summary Document

#### Results of Topic Selection Process & Next Steps

- Reproductive health is too broad to develop given limited program resources. No further activity will be undertaken on this topic.

#### Topic Description

**Nominator:** Individual

**Nomination Summary:** The nominator states that they are interested in reproductive health among the “urban slump”. It is unclear whether the nomination means to address urban slums. The population of interest is listed as those aged 20-39 (specifically, local immigrants and teenagers with social problems such as drug addiction).

**Key Questions from Nominator:** None

#### Considerations

- This topic could not be evaluated due to insufficient information given in the original nomination. Specifically, the interventions, comparators, outcomes, and policy and/or clinical context are undefined.
