

PLACING AN AREA IN ACCESS MODE

Step # 1

If the area is in SECURE MODE, the display should read AREA SECURE.

Step # 2

Hold your badge to the reader as you would for access to the room.

PLACING AN AREA IN ACCESS MODE

Step # 3

Display will state ENTER PIN.
Enter your four digit PIN at this
time.

Step # 4

The area is now in ACCESS MODE. The display
will state READY TO ARM or PRESENT CARD.
You can now either secure the room or enter.
