

EF SIMULATOR COURSES

EF SIMULATOR

Training is scheduled to commence on 17 November 2010. Training shall be provided in accordance with EF Motorcycle Simulator lesson guide instructions. Training shall only be made available to the Wiesbaden Community (Soldiers, Family Members, and DA Civilians). Lessons will be held twice a week, on alternating weeks. Six (6) classes will be offered per month: 2 basic rider's courses, 2 Motorcycle Emergency Situation courses, and 2 Advanced Riding Skills courses. Training must be scheduled by directly contacting the USAG Wiesbaden Safety Office.

DETAILED DESCRIPTION OF EF SIMULATOR COURSES

Basic Course: Primary focus in this course is the true novice motorcyclist - particularly students who have not previously owned nor operated any type of two-wheeled single track vehicle (motorcycle). Students attending a riding course who demonstrate difficulty in developing gross motor-skills necessary to safely operate a motorcycle: smooth clutch control, smooth braking and throttle control.

Advanced Course: This course is designed to take intermediate riders, who meet the riding skill objectives required to survive the streets in the intermediate course and concentrate on developing a higher level of defensive riding techniques.

Emergency Situation: This course allows riders to be placed in a variety of dangerous situations so that they may practice safe riding techniques.

	<u># Students</u>	<u>Time (hours)</u>
I Pre-Purchase orientation (Orientation Ride) will be conducted before every lesson. Time scheduled for this are 10 minutes.		
II Basic Riding Skills	4	4
IV Advanced Riding Skills	2	8
VII Motorcycle Emergency Situations (31)	6	3
