

VETSBUILD

supported by

Bank of America.

**Session III Begins:
September/October 2012**

Contact Tim @ 631-665-1571
Tim@UVBH.com

**Introducing a new resource
available to Post 9/11 Veterans**

Our goal at **VETSBUILD** Long Island is simple ... Help our post 9/11 veterans find jobs in the emerging **Green** Construction Industry

VETSBUILD will provide the following at no cost to the veteran:

- Career counseling, job training, and job placement assistance
- Preparation for **Green** Industry job opportunities in Green Energy Construction and Home Energy Remodeling
- Training at an E3 (Energy Efficiency Education) Career Training Center which is a state of the art training center with the latest equipment and technology to provide **VETSBUILD** students with hands on training
- Help you learn to construct green homes using green construction techniques which will help provide safe, affordable, environmentally friendly homes for low to moderate income families
- Prepare you for job opportunities as Weatherization Installers.

This program is FREE & open to Post 9/11 Veterans

For more information contact:

United Veterans Beacon House

1715 Union Blvd

Bay Shore, NY 11706
