**Subject:** Single Audit of the Hawaii Department of Human Services for the Fiscal Year Ended June 30, 2011 (A-77-13-00001)

This report presents the Social Security Administration's (SSA) portion of the Single Audit of the Hawaii Department of Human Services for the State Fiscal Year ended June 30, 2011.<sup>1</sup> Our objective was to report internal control weaknesses, noncompliance issues, and unallowable costs identified in the single audit to SSA for resolution action.

N&K CPAs, Inc., performed the audit. The results of the desk review conducted by the Department of Health and Human Services (HHS) concluded that the audit met Federal requirements. In reporting the results of the single audit, we relied entirely on the internal control and compliance work performed by N&K CPAs, Inc., and the HHS reviews. We conducted our review in accordance with the Council of the Inspectors General on Integrity and Efficiency's *Quality Standards for Inspection and Evaluation*.

For single audit purposes, the Office of Management and Budget assigns Federal programs a Catalog of Federal Domestic Assistance (CFDA) number. SSA's Disability Insurance (DI) and Supplemental Security Income (SSI) programs are identified by CFDA number 96. SSA is responsible for resolving single audit findings reported under this CFDA number.

The Hawaii Disability Determination Branch (DDB) performs disability determinations under SSA's DI and SSI programs in accordance with Federal regulations. The DDB is reimbursed for 100 percent of allowable costs. The Department of Human Services (DHS) is the Hawaii DDB's parent agency.

The single audit reported that the hours DDB submitted on Form SSA-4514, *Time Reports of Personnel Service for Disability Determination Services*, did not reconcile to supporting documentation.<sup>2</sup> The corrective action plan indicates DDB implemented a reconciliation and review process for the Form SSA-4514 and its supporting documentation.

We recommend that SSA verify that DDB has taken appropriate action to ensure the accuracy of the Form SSA-4514.
