DSS RELEASES A NEW STANDARD FORM 86 (SF86) REFERENCE GUIDE

This reference guide provides guidance on the proper completion of the SF86, Questionnaire for National Security Positions, for both military recruiters and recruits. The SF86 is the form used by military personnel to apply for a Security Clearance, which is required to enter the armed forces. Click here http://dssa.dss.mil/seta/security_brochures_and_guides.html to access the reference guide.
