Who We Are...

What We Do...

- Center for Spatial Analysis U.S. Coast Guard
- Over 30 scientists and technicians located in St Petersburg, Tallahassee and Gainesville
- Traditional mapping, spatial modeling, Internet applications, oil spill planning and response, and targeted mapping and GIS support.

FKNMS Marine Zoning Support

- Trained staff with GIS and mapping support at all workgroup sessions.
 - Capture data and information
 - Process for immediate and long term viewing
 - Conduct user-defined analyses to view options
 - Present information in map form.
- Internet maps and tools for the public, SAC members and workgroup participants.
 - Viewable at and away from sessions
 - Provide a feedback mechanism

Ms. Kathleen O'Keife
