

# EPSDT and Title V Collaboration to Improve Child Health

## EPSDT Data Links to More Information

### Federal Statistics

- The [Center for Medicare and Medicaid Services \(CMS\)](#) is the federal agency responsible for administering Medicaid and EPSDT.
- The [Maternal and Child Health Bureau \(MCHB\)](#) maintains a web-based data and information site, which contains data on child health activities and outcomes in the states and territories.

### Private Organizations

- The [Pediatric Purchasing Specifications](#) and the accompanying Training Module include advice on developing Medicaid managed care contract provisions on data reporting in EPSDT. George Washington University, 2002.
- The [Kaiser Family Foundation](#) offers summary data on EPSDT screens.
- The [AAP Medical Home Initiative](#) compiles and publishes a variety of data regarding Medicaid and child health.

### State Examples

- [Ohio Medicaid Managed Care Clinic Performance Measures](#). Ohio Department of Job and Family Services, 2003
- [Principles](#) from an advocacy organization in Michigan, designed for use in managing EPSDT and Medicaid managed care contractors.

### Other Information on EPSDT Data and Monitoring

- [Knowledge Path: Early and Periodic Screening, Diagnostic, and Treatment \(EPSDT\) Services](#). Maternal and Child Health Library, July 2003.
- [Child Health Toolbox: Measuring Performance in Child Health Programs. Can We Measure EPSDT?](#) Agency for Healthcare Research and Quality, March 2002.
- A [presentation](#) by Colleen Peck and others on "Measuring the Quality of Preventive Care Delivered to Young Children." This presentation from the Children's Health Measurement Initiative includes discussion of measures, tools, and quality improvement efforts.
