

**U.S. Army Corps of Engineers - Charleston District
Checklist for 2012 Nationwide Permit Review
Nationwide Permit 25**

**Structural Discharges
(404)**

SAC#: _____

Applicant Name: _____

Waterway/Location: _____

Project Name: _____

1. Does the activity involve the discharge of material such as concrete, sand, rock, etc., into tightly sealed forms or cells where the material will be used as a structural member for standard pile support structures such as bridges, transmission line footings, and walkways, or for general navigation, such as mooring cells, including the excavation of bottom material from within the form prior to the discharge of the concrete, sand, rock etc?

Yes No

2. Is the authorized activity for structural members that would support buildings, building pads, homes, house pads, parking areas, storage areas and other such structures?

Yes No

3. If the structure is located in a navigable water of the United States, does it have a separate section 10 permit?

Yes No N/A

4. Is the activity proposed in designated critical resource waters or their adjacent wetlands? (critical resource waters include NOAA-managed marine sanctuaries and marine monuments, and National Estuarine Research Reserves)

Yes* No

5. Does the activity comply with all of the NWP General and Regional Conditions, including mitigation, endangered species, and cultural resources, and if any Federally listed species and/or designated critical habitat occurs in the action area, have you made an effect determination and properly documented it in the administrative record?

Yes No

TO QUALIFY FOR THE NWP, UNLESS OTHERWISE NOTED, EVERY NUMBERED ITEM MUST HAVE A CHECKED BOX.

* - REQUIRES A PRE-CONSTRUCTION NOTIFICATION (PCN) TO THE DISTRICT ENGINEER. **SEE THE SEPARATE PCN CHECKLIST TO ENSURE THE PROSPECTIVE PERMITTEE SUBMITS THE REQUISITE INFORMATION.** Remember, determination of completeness must be made within 30 days of the date of receipt. If all required information is not provided, the prospective permittee will be notified that the preconstruction notification (PCN) is still incomplete and the review will not commence until all requested information has been received. If the applicant has not received any written notice from the DE within **45 days** of the date of receipt of the PCN, ***the verification is issued by default.***
