

## Registration Fee Table

As Amended by the Final Rule of March 30, 2010

The current registration fees were established in a Final Rule published in the Federal Register on March 30, 2010. This rule established fees for registration years 2010-2011 and following. The fees for registration years between 1992-1993 and 2009-2010 remain as previously established.

One, two, or three year periods of registration are permitted for years beginning July 1, 2000, and later. The fees for all possible registration periods and business types are listed in the table below. All fees include the appropriate processing fee. If you are a not-for-profit organization registering for 2001-2004, 2002-2004 or 2002-2005, you must pay the fee in the column titled "Small Business/Non-Profit" if you meet the SBA size standard for a small business, and the fee in the column titled "Not-Small Business/Non-Profit" if you do not meet that standard.
