Volume 4, Issue 4
Feb. 2012

Notes from the Principal's Desk

Gordon Elementary held an awards assembly after the first reporting period ended. Gordon will hold K-1, 2-3, and 4-5 award ceremonies each quarter in the cafeteria. Parents will be notified by the teacher if their child will be receiving an award. Due to the size of our cafeteria, we ask that strollers be left at the front of the school or in the car. Gordon is excited to recognize student achievement each quarter.

The Super Bowl is Sunday, Feb. 6. Students may wear their favorite team colors on Thursday, Feb. 2. This may be a jersey or T-shirt. School will not be in session on Friday, Feb. 3.

Gordon recently experienced a power outage for approximately 30 minutes. Numerous concerned parents called the office wondering if school would remain in session or how lunch will be served. The district office and principals coordinate on all emergency situations. If children need to be sent home, I would contact parents through OneCallNow, using my cell phone. It is important that your cell phone number is in our system. Alternate plans can also be made for serving lunch such as food brought in from another school. Normally power outages are for a short time

and the power is restored. During this time, teachers open up the blinds and instruction continues.

We are very excited about Feb. 16! Author Marc Harshman will be visiting Gordon Elementary and reading to the students. Mr. Harshman has written numerous children's books and does extraordinary presentations. He will also do writing workshops with 4th and 5th grade students. Mr. Harshman will remain for the P.T.A. Literacy Night from 5-7 p.m. and do storytelling with families. He will most likely sell and autograph books. Each grade level will host activities and the P.T.A. will sponsor a book fair. Children may dress up as their favorite book character for our literacy day. Students need to select an appropriate character and costume. Mark your calendar for this wonderful event.

Dismissal seems to be working in a timely manner for the size of our school. I do ask parents to be on time when picking up walkers. Some parents wait until the crowd diminishes before arriving to pick up their children. This slows down dismissal as teachers have to wait on children for dismissal. We have been fortunate and not experienced severe weather. If you plan to pick up

walkers on rainy days, you will need to be patient. Teachers will watch out the gym doors and deliver children to parent as quickly as possible. Please remember that nearly 700 children are being dismissed from Gordon.

Joel Grim
Please remember that nearly 700 children are being dismissed from Gordon.

Our home reading data indicates that many children are not reading at home. We are looking at some new incentives for children, but do encourage you to read with your child. As a parent of older children, I miss cuddling up with my elementary children and reading a good book. Take advantage of this opportunity as time truly flies. Reading at home will help your child love literacy and improve their skills.

My door is always open with questions, concerns, and positive feedback. I do request that if you are concerned with anything, try to solve the issue with your child's teacher as part of the chain of command. Most issues can be solved at the classroom level.

Thanks again for allowing me to serve your children. Gordon students are outstanding!

Continuous School Improvement

The CSI Team would like to welcome Mrs. Tricia Harm to our team. Mrs. Harm has been kind enough to donate her time for the school improvement process. Mrs. Harm will be an asset to our team as we work together with all stakeholders to make Gordon Extraordinary!

During the last CSI Day, Jan. 13, our staff accomplished several tasks. Pre-K teachers attended math training. Kindergarten through Third grade teachers attend more Fountas and Pinnell training for the assessment just adopted to assess reading. Fourth and Fifth grade teachers met to analyze Terra Nova data as well as common assessment data. Special Education Staff was also in training specifically targeted to their needs.

Literacy Night, scheduled for Feb. 16, is fast approaching. We look forward to seeing everyone for a night of fun and reading!

As always, should you have a suggestion, comment, or concern about school improvement, please email April Ennis at april.ennis@am.dodea.edu.

School Safety, Security

When visiting the school during normal school hours, please ensure you use the parking lot in front of the school. We recently added 34 additional paved parking spaces to accommodate our staff and visitors. Parking directly in front of the school or on the grassy areas, even for short periods, is not allowed. We must keep this area clear for force protection purposes and to ensure emergency vehicles are able to approach the school, if needed.

During mid-day Pre-K dismissal and arrival, please remember to park in the large parking lot behind the school. There is plenty of space. Please do not park in the parking lot beyond the orange barriers. This parking lot is used specifically for

our SPED school buses. Parking in this area interferes with the safe operation of our SPED buses. Please assist us in this area by parking in the large parking lot during Pre-K dismissal and arrival procedures.

In the near future, we will practice a lock down drill. It is necessary to practice these drills during random times of the day to ensure our staff and students are familiar with the proper procedures in the event of an actual lockdown situation. Please feel free to discuss these drills with your children. If you have any questions/concerns regarding the safety and security of the school, please feel free to contact the principal or the assistant principal.

screamfree

**Screaming at your kids a lot?
Wondering why they "just won't listen"?
Are they "driving you crazy"?**

Come join us for a 4 day workshop designed to help you with your most important job...PARENTING!

Parenting workshops are offered monthly

See back of flyer for date, time and location information

Cost: FREE! (Includes workbook and DVD)

Free childcare available -- call for details

To register or for more information call the Family Advocacy Program at (910) 396-5521

ScreamFree Parenting is not just about lowering your voice, it's about learning to calm your emotional reactions and focus on your own behavior more than your kids' behavior. By staying calm and connected with your kids, you begin to operate less out of your deepest fears and more out of your highest principles. This practical approach is for parents with children of all ages and will help them become calming authorities in their homes, bringing a revolutionary peace to their families.

ScreamFree Dates, Times and Locations:

<u>Daytime</u>	
<u>January 23-26</u> 9-12pm Nijmegen Neighborhood Center (910) 436-4743	<u>February 6-9</u> 9-12pm Lodge at Linden Oaks (910) 764-5000
<u>March 5-8</u> 9-12pm St Mere Eglise Neighborhood Center (910) 497-0510	<u>April 23-26</u> 9-12pm Lodge at Linden Oaks (910) 764-5000
<u>May 14-17</u> 9-12pm Casablanca Neighborhood Center (910) 495-0120	<u>June 25-28</u> 9-12pm Clubhouse at Linden Oaks (910) 764-4932

<u>Evening</u>	
<u>February 21-24</u> 6-9pm ACS FRG Center (910) 432-3742	<u>April 9-12</u> 6-9pm ACS FRG Center (910) 432-3742

To register or for more information,
call the Family Advocacy Program:
(910) 396-5521

Before attending class, please stop by the Family Advocacy Program on the 3rd floor of the Soldier Support Center to get a class workbook.

**To receive free childcare, attendees must first pre-register children with Ft Bragg CYSS*

Robot Readers

After reading a story with a robot theme, entitled Pearl and Wagner: Two Good Friends, 2nd Grade Teacher Brenda Weston's class completed a robot project.

It's a Good Time to Join

PTA Sponsors Fun Fridays, Book Fairs, Guest Authors

Thanks to all who supported PTA through their purchases of pickles and Gordon bracelets. Our first "Fun Friday" was a success, and we hope to do at least one or two per month until the end of the school year.

Please be watching for more "Fun Friday" information to come near Valentine's Day.

Our next Scholastic Book Fair is set for Feb. 13-17. Literacy Night will be held on Thursday, Feb. 16. Children's author, Marc Harshman, will

Marc Harshman

be our guest. Please plan to attend and enjoy story telling with him as well as the rest of the literacy activities and the book fair.

Please keep collecting those box tops and soup labels. We will be collecting them from classrooms soon and announcing classroom winners. Our first check from Box Top returns was more than \$1,000. Keep up the great work.

Thank you for your continued support of Gordon PTA.

It is not too late to join. Envelopes are in the school office.

Students Receive Rewards for Participating in Home Reading Program

The week of Dec. 12, First through Fifth grade students who participated in Gordon's Home Reading Program for September, October, and November were invited to the cocoa and cookie celebration in the Information Center. Pre-K and Kindergarten students who participated all three months received special treats in their classrooms!

Parents, encourage your children to read every evening at home and record what they read on their Home Reading record. Records are collected the first school day of every month and rewards are given for participation

Students enjoy their treat at the Home Reading celebration.

Congratulations to the following classes for 100 percent participation

November	December
Merritt AM	Grant
Merritt PM	Harrison
Harrison	Marks
Marks	Mauil
Mauil	Upton
Upton	

Ninety Gordon 4th, 5th Graders have GradeSpeed Accounts

GradeSpeed is a web-based program that enables parents to log-in to view grade and attendance data for their student(s). GradeSpeed will be the only authorized and supported grade book used by DoDEA employees in Grades 4-12.

All teachers have secure access to GradeSpeed through the use of an Internet web browser. Teachers use the grade book portion of GradeSpeed to enter assignments, grades, and to maintain grade calculations. Teachers are also able to email progress reports to parents through GradeSpeed.

GradeSpeed is just one of DoDEA's continuous improvement initiatives designed to ensure highest student

achievement. When parents have timely information about student progress and are involved in the education of their student, the entire learning environment is improved.

GradeSpeed enhances that all-important connection between home and the school. GradeSpeed makes communication between parents and teachers easier, more effective and timelier. Since GradeSpeed is web-based, the program can be accessed from anywhere. Parents who are deployed will be able to stay informed and involved in their child's academic life regardless of location.

Parents can access GradeSpeed via the Parent Portal.

Parents must register at:

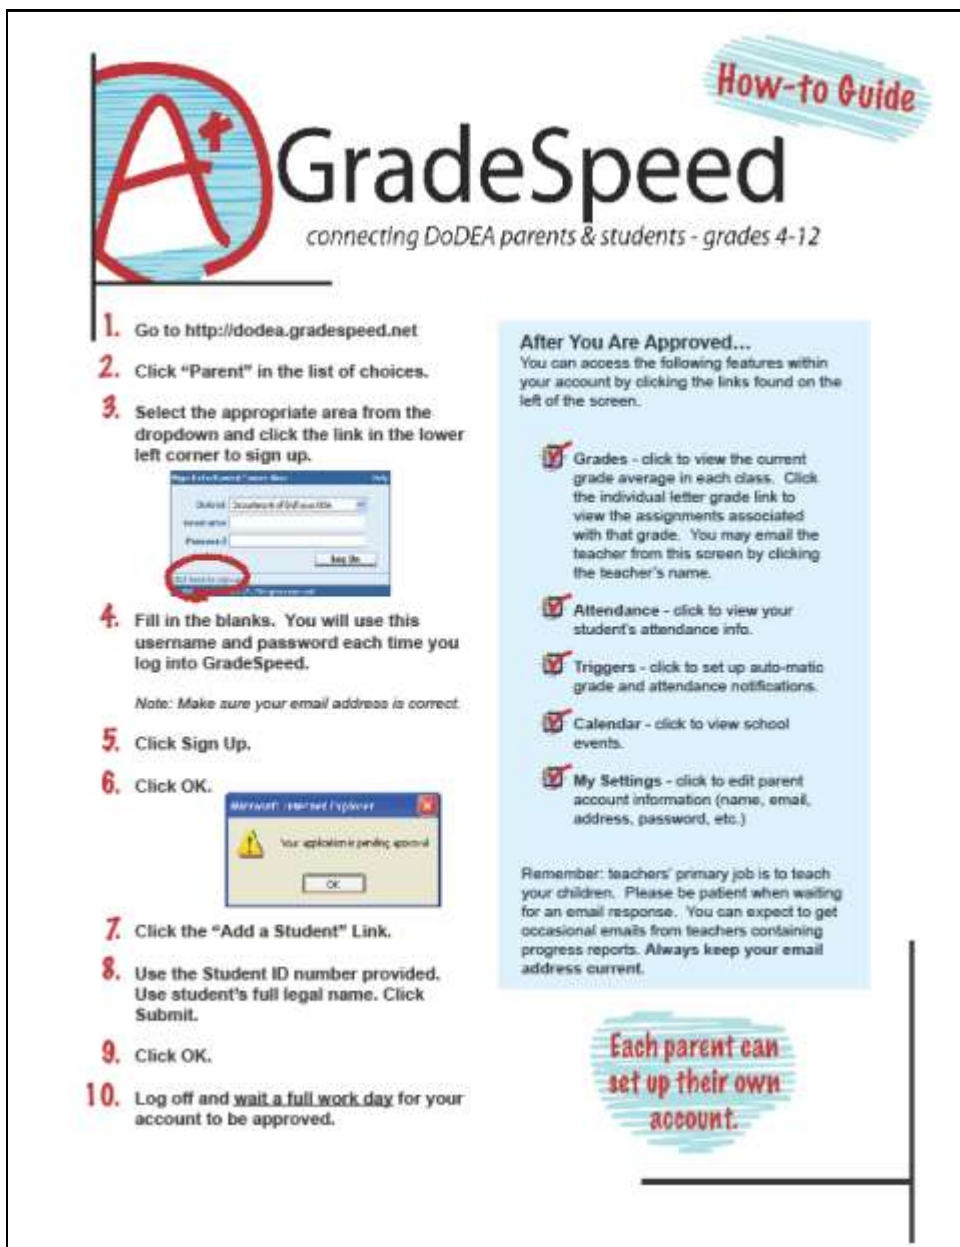

<http://dodea.gradespeed.net> to establish a personal GradeSpeed access account. After their account has been established, parents will be able to login to view grade and attendance data only for their student. They will also be able to view school announcements and calendar events. There is a note feature available in GradeSpeed that parents can use to directly contact their student's teachers.

Parents, remember the following:

- GradeSpeed is not intended to replace face-to-face communication between parents and teachers in meetings and parent conferences.
- A teacher's primary job is to teach! While communication with parents enhances the educational experience, parents must be reasonable about expectations on the posting of grades and responsiveness. Please remember to be patient when waiting for an email response.

While students may have concerns about how much information parents will have, the truth is children with parents who are involved in their education have a much greater chance to be successful.

Always keep your email address current.

How-to Guide

GradeSpeed

connecting DoDEA parents & students - grades 4-12

1. Go to <http://dodea.gradespeed.net>
2. Click "Parent" in the list of choices.
3. Select the appropriate area from the dropdown and click the link in the lower left corner to sign up.

4. Fill in the blanks. You will use this username and password each time you log into GradeSpeed.
Note: Make sure your email address is correct.
5. Click Sign Up.
6. Click OK.

7. Click the "Add a Student" Link.
8. Use the Student ID number provided. Use student's full legal name. Click Submit.
9. Click OK.
10. Log off and wait a full work day for your account to be approved.

After You Are Approved...
You can access the following features within your account by clicking the links found on the left of the screen.

- Grades** - click to view the current grade average in each class. Click the individual letter grade link to view the assignments associated with that grade. You may email the teacher from this screen by clicking the teacher's name.
- Attendance** - click to view your student's attendance info.
- Triggers** - click to set up auto-matic grade and attendance notifications.
- Calendar** - click to view school events.
- My Settings** - click to edit parent account information (name, email, address, password, etc.)

Remember: teachers' primary job is to teach your children. Please be patient when waiting for an email response. You can expect to get occasional emails from teachers containing progress reports. Always keep your email address current.

Each parent can set up their own account.

E.D.I.T.H.

Students Practice Exit Drills in the Home at Fire Safety House

Homework Hint

1. Tape index cards, with one typed or written product per card, to wall (hall wall works well).
2. Give child the fly swat and call out a multiplication problem (eg. 7×9) and instruct child to swat or smack the correct answer (which should be posted on the wall).
3. This also works with:
 - a. Basic addition and subtraction facts
 - b. Sight words
 - c. Letter/ number recognition
 - d. Letter/ sound correspondence

Remember...physical movement stimulates both the right and left hemispheres of the brain. When physical movement is paired with a learning activity, the content of that activity is more likely to be retained in our long term memory.

Gordon ES

SCHOOL LIBRARY
INFORMATION CENTER

Fabulous February

Black History Month

February is the month set aside to celebrate and honor the contributions of African-Americans. This is a wonderful time for students to learn about our country's rich heritage and history by reading biographies of famous leaders and great fiction written by African-American authors. Students in PreK-3 will enjoy books written by [Donald Crews](#), [Bill Cosby](#), and [Leo Dillion](#). Students in the upper grades would definitely enjoy books written by [Christopher Paul Curtis](#), [Patricia McKissack](#), [Mildred D. Taylor](#), and [Walter Dean Myers](#). These are just a few authors, want more selections just visit your school library information center.

Valentine's Day

Conversational candy, chocolate filled boxes, and paper hearts are items you normally associate with Valentine's. What better way to add a little more love than with a book. Here are a couple of books I'm sure your child will adore.

PreK-3

Froggy's First Kiss
Love, Ruby Valentine
Arthur's First Valentine
Love, Splat
Roses are Pink, Your Feet Really Stink

Grades 3-5

Somebody Loves You Mr. Hatch
Heart to Heart with Mallory
The Valentine Cat
Love Stinks
Mr. Louie is Screwed!

President's Day

President's Day is the 20th of February. The information center has a collection of over one hundred books on U.S. Presidents. Get to know some of our lesser known leaders like Zachary Taylor, Benjamin Harrison and Chester A. Arthur. Tour the White House and discover fascinating facts about our nation's leaders.

The Evolution of the School Library

The SLIC: Key to Information Access

The school library has definitely evolved over the years, which is reflected in a number of name changes. It has gone from school library to media center; from media center to information center; to its current title of school library information center. This is commonly referred to many of our upper grade students as the SLIC. Throughout its many name changes, one aspect that has always remained constant in the library is information access. However the manner in which information is accessed has greatly increased, thanks to the many technological advances brought about by the 21st century.

Today's students must be able to locate and use information in a variety of formats. This includes being able to find and use books in the

SLIC, as well as online and in databases.

The key to learning how to access information begins in the school library information center.

CyberLibrary

Did you know that your student has access to an online encyclopedia and databases at home via link on the cyber library? What are databases? Databases are programs that hold large amounts of information, usually in the form of short articles from magazines, journals, and newspapers. This is an excellent resource tool when students are unable to locate information in books. Gordon subscribes to Encyclopedia Britannica Online, KidsInfoBits, and CultureGrams. Username and passwords can be obtained through the school librarian.

The Gordon SLIC has been selected as a pilot school for the new automation system by DODEA. This new system is user-friendly and students will be able to access the online catalog anywhere internet is available. Full implementation of the system will occur gradually throughout the school year. To get a glimpse of the system go to the Gordon homepage and click on the SLIC.

The Information Center is looking for volunteers. Interested? Contact Ms. Bailey or Ms. Elliott at 907-1328 for more details.

Families Making the Connection

Let's Help - Teach Them Life's Simple 7™

Celebrate American Heart Month with these 7 simple tips:

- 1. Get active.** Just 30 minutes a day helps control your weight and makes you feel great!
- 2. Control cholesterol.** How? Schedule a screening—know your numbers. Most often, go for foods low in cholesterol and saturated fat and free of trans fats.
- 3. Eat better.** Balance calories with activity to manage weight. Heart smart foods include fruits and veggies, whole grains, fish, lean meats, and poultry without skin. Choose 1% or fat free dairy products. Aim to reduce salt and salty foods in your diet. Check out the 2010 Dietary Guidelines for Americans at www.cnpp.usda.gov/dietaryguidelines.htm.
- 4. Manage blood pressure.** By following the tips above, plus limiting alcohol and avoiding tobacco smoke, you can help prevent this "silent killer".
- 5. Lose weight.** Even a small weight loss can often make a big difference to health.
- 6. Reduce blood sugar.** Do you have diabetes? Keeping your blood sugar under control helps keep heart disease at bay. Stop smoking. Making this one change can make an enormous positive impact!

For motivation, support and additional ways to take action, go to <http://mylifecheck.heart.org>. Take the My Life Check™ assessment and make a new life resolution today!

Families Eating Smart and Moving More

Research points to seven key behaviors that can help children, youth and adults eat healthier and be more active:

- Prepare and eat more meals at home.
- Tame the tube.
- Choose to move more every day.
- Right-size your portions.
- Re-think your drink.
- Enjoy more fruits and vegetables.
- Breastfeed your baby.

Fit Foundations

Creole-style Black-eyed Peas

Makes 8 servings
Serving size: 1 cup

Ingredients

- 3 cups water
- 2 cups dried black-eyed peas
- 1 teaspoon low sodium chicken-flavored bouillon granules
- 2 cups canned no salt added tomatoes, crushed
- 1 large onion, finely chopped
- 2 stalks celery, finely chopped
- 3 teaspoons minced garlic
- 1/2 teaspoon dry mustard
- 1/4 teaspoon ground ginger
- 1/4 teaspoon cayenne pepper
- 1 bay leaf
- 1/2 cup chopped parsley

Directions

- Add 2 cups of the water and black-eyed peas to a medium saucepan. Bring to a boil over high heat. Boil for 2 minutes. Then, cover the pan and remove it from the heat. Let stand for 1 hour.
- Drain the water, leaving the peas in the saucepan. Add the remaining 1 cup of water, bouillon granules, tomatoes, onion, celery, garlic, dry mustard, ginger, cayenne pepper and bay leaf. Stir together. Then, bring to a boil. Cover the saucepan. Reduce the heat and simmer slowly for 2 hours. Stir occasionally. Add water, as necessary, to keep the peas covered with liquid.
- Remove the bay leaf from the cooked beans. Spoon the beans into a serving bowl. Garnish with parsley and serve.
