

Upcoming NODC Seminar Series starting March 2009: NOAA work in the high latitudes and The International Polar Year 2007-2008

NOAA scientists, resource managers, educators, and others involved in Arctic and/or Antarctic research are invited to present their work starting March 2009. All NOAA staff are welcome to participate. Details can be found at:

<http://www.nodc.noaa.gov/General/NODC-About/Outreach/NODC-seminars09.html#IPYSeminars>

Invited speakers (schedule is not yet finished):

John Bortniak (NOAA NMFS). Recollections on Wintering Over at The South Pole 1979 on The 30 Year Anniversary.

Kathy Crane (NOAA Arctic Research Office). Collaborative NOAA-Russia Ocean Observations in The Bering and Chukchi Seas.

Dr. John Walsh (University Alaska Fairbanks). Status of Arctic modeling from a systems perspective.

Dr. Yi Ming (NOAA GFDL). Formation and Climate Impacts of Arctic Haze.

Dr. Igor Krupnik (Smithsonian Institution). IPY and Indigenous People: Local Knowledge Contributes to the Study of Arctic Change

Dr. Rebecca A. Woodgate (University of Washington). Changes In The Bering Strait - Pacific Gateway To The Arctic.

Dr. Susan Solomon (NOAA ESRL). (pending confirmation). Title: TBD.

Dr. Kelly Falkner (National Science Foundation). The Antarctic Integrated System Science on the Antarctic Peninsula.

Dr. Dan Seidov and Dr. Igor Smolyar (NOAA NODC). Barents Sea Warming.

Albert. E. Theberge Jr. (NOAA Central Library). NOAA Ancestors In The Polar Regions 1860-1970.

Dr. John Cloud (NOAA Central Library). Title: TBD.

Pending date confirmation

Jon Kurland (NOAA Fisheries Alaska Region) and Mike Sigler (NOAA Fisheries Alaska Fisheries Science Center). NOAA's Role in the Science and Management of Arctic Fish and Marine Mammals

Julie Gourley (U.S. State Dept.). Title: The new US Arctic Policy

Dr. Taneil Uttal (NOAA ESRL). The International Arctic System for Observing the Atmosphere.

Dr. Jackie M. Grebmeier (Chesapeake Biological Laboratory). Title: TBD

Jeremy Potter (NOAA Program Coordination Office). Title: TBD

Dr. Pablo Clemente-Colón (U.S. National/Naval Ice Center). Title: TBD

Dr. John A. Calder (NOAA Arctic Research, Climate Program Office). Title: TBD
