

DuPont Chambers Works FUSRAP Site Environmental Cleanup Program Community Advisory Board Meeting

U.S. Army Corps of Engineers invites you to attend its next community advisory board meeting to discuss program activities at the DuPont Chambers Works FUSRAP site. The FUSRAP program specifically addresses radiological contamination resulting from research activities at sites used during the nation's early atomic energy program.

When: Thursday, October 14, 2010 at 7:00 p.m.
Where: Hampton Inn, 429 North Broadway, Pennsville, NJ 08070
Mtg. Topic: Update on Cleanup Activities and Project Schedule

Community meetings are open to the public and provide an opportunity for interested parties to get involved and comment on the environmental cleanup activities. For more information please call or email:
