

**DuPont Chambers Works FUSRAP Site
Environmental Cleanup Program
Restoration Advisory Board (RAB) Meeting**

The RAB invites you to attend its next meeting to discuss program activities at the DuPont Chambers Works FUSRAP site. The FUSRAP program specifically addresses radiological contamination resulting from research activities at sites used during the nation's early atomic energy program. Please join us.

When: Thursday, October 23, 2008 at 7:00 p.m.
Where: Hampton Inn, 429 North Broadway, Pennsville, NJ
Mtg. Topic: Overview of Program Activities and Feasibility Study Update

RAB meetings are open to the public and provide an opportunity for interested parties to get involved and comment on the environmental cleanup activities. For more information please call or email:

George Bock, RAB Co-Chair
U.S. Army Corps of Engineers, Philadelphia District
Phone: 215-656-6513 or
Email: george.o.bock@usace.army.mil
