

**Interim Report of the
OPTN/UNOS Transplant Coordinators Committee
Live Meeting
July 24, 2012**

I. Old Business

The staff liaison summarized the committee's charge, goals and objectives for the next 12 months. Details of the existing working groups were shared. The SharePoint site and Listserv was introduced for the new members on the Committee and the proposal for the policy rewrite was discussed.

Live Meeting slides can be found at <https://sts.unos.org/tcc/default.aspx>

II. Meetings

The next full committee Live Meeting is scheduled for August 28th. Agenda items will include: updates on the policy and education working groups, and reviewing the rate of "unknown" response to data elements collected on transplant recipient follow up forms for kidney, pancreas and kidney-pancreas.
