Campaign Update

I would like to wish each of you a happy and healthy new year. It has already been a busy year for us as we gear up for the National Veterans Golden Age Games, which will be held in Buffalo, May 30 through June 4. We expect more than 800 Veteran athletes to compete in this sporting event. Veterans are gearing up to participate in cycling, swimming, golf, horseshoes and more in addition to the exhibition sport, sled hockey.

Dr. Patrick Welch

Volunteers and donations are still needed to help meet our goal of \$200,000. **Dr. Patrick Welch**, Vietnam Veteran and local Honorary Chairman for the 2013 National Veterans Golden Age Games, and I are pleased to announce that we have raised \$73,000 in monetary and in-kind donations from our generous community partners, local businesses, and private donors thus far. Our top three donors include:

\$20,000 from Wegmans

\$10,000 from American Veterans (AMVETS)

\$6,000 from National Society Daughters of American Revolution (Washington Headquarters, Abigail Fillmore Buffalo Chapter and Niagara Falls Chapter)

We want to thank everyone who has made a donation to the Games. Through your support our athletes will enjoy a week of therapeutic competition and camaraderie.

Donations and volunteers are still needed by May 2013 to reach our goal - we are counting on your help. If you are interested in volunteering or donating, please call us today.

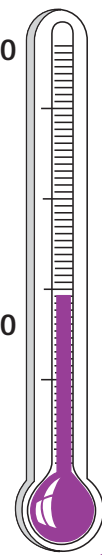

Sincerely,
David J. West, FACHE

Woodcrafters honor the fallen

Air Force Veteran **Tim Curley**, Navy Veteran **Paul Denis**, and Army Veteran **Pete Taylor**, have teamed up in making memorial displays for Veterans who have passed away. The displays are placed in Veteran's rooms for their honored service.

Curley and Taylor began making displays after seeing memorial tables in a Veterans Affairs magazine. "We can make these even better," said Taylor.

The Army Veteran has a love for woodworking - especially military related shadowboxes. He became interested in woodworking 20 years ago when he received a gift from his late father-in-law. It was a circular saw and toolbox.

"Paul and I have enjoyed many moments of camaraderie, not only with our past days in the military, but with our woodworking hobby as well," he said.

Paul Denis began woodworking many years ago when he was on active duty stationed at Naval Air Station Patuxent River. While there, he met an old chief working on a shadowbox. He learned the craft from him and has been building shadowboxes for flags, medals, swords, military items ever since.

Taylor and Dennis believe in the camaraderie of military service, regardless of branch. "We are all Veterans, whether active duty, retired, National Guard or Reserve," said Pete. "That is an honor."

Families and friends can take home a card along with a picture of the displayed table. Anyone who knows and cares for the Veteran can sign the card.
