

## Soldiers Attending Training at Fort Benning in a Prior Service Status

(MOS Reclass, Reentry Active Duty, PS OCS Candidates,  
Phase II National Guard, and AIT Drops)

- All Prior Service (PS) Soldiers attending training at Fort Benning are required to have all the items on the Packing List below except under the following conditions:
  - 1) If you are coming from a different branch of service (Air Force, Marines, Navy, Coast Guard) then you will receive a full Phase I and II issue upon your arrival at 30<sup>th</sup> AG BN (REC).
  - 2) If you are reentering active service and have had a **break in service longer than 90 days**, then you will receive a full Phase I and II issue upon your arrival at 30<sup>th</sup> AG BN (REC).
  - 3) You are on conditional release from the Army National Guard and you were required to turn-in your CIIP Phase I and II issue. In this case, before arriving to Fort Benning, you have to have all completed turn-in documents reflecting the items and quantities turned in, or you need to have a memorandum signed by the first O-3 in your Chain of Command verifying unit turn-in. If the approval date of your conditional release is longer than 90 days, you are entitled to a full reissue.
- The last 3 items (ballistic glasses, hydration device, and cold weather parka) are CIF issue items. They are carry-over items and are the only pieces of TA-50 that you are required to bring. If you fail to bring these items with you, they will be reissued upon completion of a DA 362- Statement of Charges.
- Upon arrival to the reception station at Fort Benning, all Prior Service Soldiers will undergo an inventory of their full CIIP Phase I and II issue. Any items that are missing will be reissued upon completion of a DA 362- Statement of Charges. **All items are required before attending BCT/Infantry OSUT training on Fort Benning.**
- All items on the packing list must be Army issued items. Civilian purchased items, other than US Army issued will not be authorized to be worn for training (i.e. boots, gloves, non-ballistic eye protection).
- AG 489 Green uniform can be brought in-lieu of the Army Service Uniform; however, it must be complete. AAFES and Fort Benning CIIP no longer stocks replacement components of the Green Uniform, so if any of these items are missing, you will be required to purchase the ASU.
